说起插画，上年纪的人总会对《星火》杂志津津乐道，上世纪50年代，无论是专业插图画家还是绘画爱好者，都对这本苏联杂志崇尚有加。《星火》中的一些名作，如《一颗铜纽扣》、《带阁楼的房子》等等，被许多人奉为经典。

画插画需要文学功底。书籍插画是有文字依据的，需要忠实于原作。插画在书籍中的应用，是文学与绘画的完美结合，也是对文学作品的再创造。画家需要深刻领会文字所体现的精神主题，并通过艺术的手法表现出来。插画在书籍的发展历程中始终扮演着重要的角色，它以自己独特的形象语言传递着信息，使读者能够深入地了解主题及内涵，对文字内容进行了很好的补充描述。

画插画需要绘画功底。它与绘画有关，既能满足绘画的欲望，又具有相当的实用性。因此，扎实的造型能力和各种绘画表现技法，是作为一名插画家所必须掌握的基本功。插画通过笔墨来交代人物关系，安置道具摆放，营造故事气氛，增强画面的艺术表现力。优秀的插画能够引起读者的阅读欲望，使读者直接进入小说的情节中，直观地感受人物和场景。

画插画更需要有思想。插画是有关深入思维的图像，它传达观念、讲述故事、激励情绪、促人思考。漂亮的画面和熟练的技巧固然重要，但真正能够打动人的是发自内心的思索与探究。因此，形成自己的视觉语言和哲学思想至关重要。不用担心某些故事已经被反复地画过，同一个故事由不同的人来描绘演绎，所展现的必然是不同的气质。

除了文学名著、诗歌、童话，现在的年轻人也将目光停留在自己身边的人和事物上。每个人都有点小空间小隐私，生活就在其中慢慢流淌而过。记录下自己的小秘密，描绘出生活的小片断，叙事就在那一帧帧一幅幅画面中若隐若现，平淡如水的日子因此有了色彩。

序

Book Illustration

关于“角色”

一本书就像一个舞台——幕布、脚灯，配上怀旧的色调，还有舞台幻觉的魔力，这是书的一个整体。接着，我们静静地期待他们的到来……他们从字里行间跳出来，从飞鸟到游鱼，从昆虫到美人鱼，从孤独的小王子到善良的奥菲利娅和她的影子们……他们的劳动、爱情，壮丽的生和寂静的死，透着诗意和让人震撼的内容。角色们在笔尖上扮演，闪烁着个性和语言的音乐质感。

say farewell to culture

ment says that years and that this has been well-

acquired by farmers.

In its turn the resistance as-

sumes that the agriculture tax could be

reduced in five years.

A percentage point reduction in

the agricultural tax would mean a

loss of 1.5 billion yuan annually.

But the government has

not yet given any answer.

It is not clear what the

government will do.

It is not clear what the

government will do.

It is not clear what the

It is not clear what the

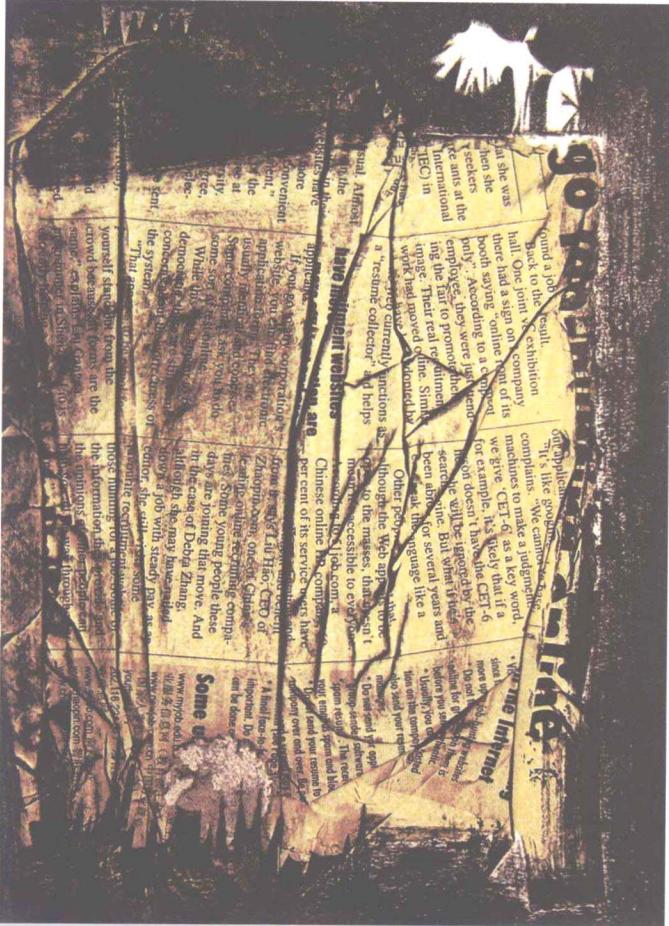

government will do.

Job market

found a job result.

Back to the exhibition hall. One joint company there had a sign on its booth saying "online recruitment". According to a company employee, they were just ten weeks at the fair to promote their real recruitment image. Their real recruitment work had been limited by

a "resumé collector" and helps

them to find more applicants.

If you go to big corporations' websites, you can find a lot of information about them.

Some companies ask you to come see them in office, while others are more open to remote communication.

The system is not yet fully developed.

That makes it difficult for

you to stand out from the crowd because firms are the same," explains Li Gang, a 21-year-old graduate of Tsinghua University.

"The information in the

job market is very limited,

and it's hard to know what
