"I must have a strong horse," he thought.

He went to the stable and looked at his own horse. It was very old and thin and bony, but Don Quixote thought, "It is a strong and wonderful horse. I will call it Rosinante."

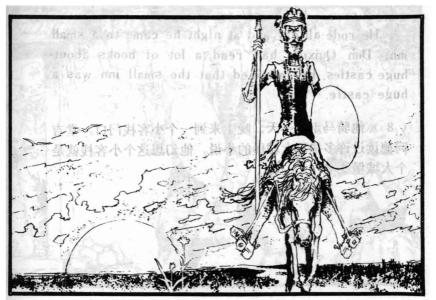

(5)"我必须有一匹高头大马,"他想。 他走进马棚,看了看他自己的那匹马。那是一匹瘦 弱的老马,可是堂吉诃德心想,"这是一匹强壮的好马,我 就叫它'驽骍难得'。"

Don Quixote read in a book that every real knight had a lady love. "I shall have a lady love." So he chose a poor girl from the village of Tobo-
