出版說明

世紀之交的上海，城市面貌日新月異，社會發展欣欣向榮，市民活力飛揚，到處生機勃勃。上海已成爲繁華興旺的國際大都市。

儘管上海開埠纔經過了百餘年歷史，然而如今林立的高樓却已將諸多過去的榮耀變爲陳迹，祇有黃浦江畔外灘經典的洋樓，仍在訴說着這座年輕城市曾經經歷過的滄桑。人們也許會越來越渴望瞭解上海過去的模樣；瞭解百餘年間，開埠不久的上海是如何迅速崛起；瞭解當時到底留下了哪些值得後人懷念、憑吊的名勝遺迹。

這部圖文並茂的《申江勝景圖》，成書于晚清光緒十年（一八八四），形象地再現了當時上海諸多名樓勝迹及社會生活。繪圖者乃鼎鼎大名的點石齋主人吳友如。友如原名吳猷，元和（今江蘇蘇州）人，寓居上海，勤勉好學，精工繪畫。光緒十年應聘主繪《點石齋畫報》，寫風俗時事，圖畫入妙，風行一時，其作品後彙刊爲《吳友如畫寶》，影響至今。

《申江勝景圖》凡二卷，繪圖六十餘幅，每幅配以詩文，書法用真草篆隸等體，可謂詩、書、畫三絕兼備。舉凡寧波會館、靜安寺、龍華寺、教場、製造局、英公館、法租界、外灘、巡捕房、申報館、戲院、花園等，靡不必收。「若夫高桅勁檣、簇列浦溆者，各國之番舶也；巍然杰閣、掩映金碧者，西人之館宇也；微雨新晴、駕輕就熟、左馳而右逐者，遨戲之車馬也；曲眉豐頰、嚼徵含商、魂銷而心醉者，風流之藪澤也。」繪圖生動逼真，燈下展讀研賞，使人對這些往昔勝景頓生心往神馳之情。

原書綫裝二冊，今用上好宣紙，依原樣影印，裝幀典雅，爲饋贈、收藏之精品。

paintings each accompanied with a poem or an essay, the calligraphy of which varies between Chinese traditional scripts of Zhen, Cao, Li and Zhuan. It is indeed an outstanding combination of poem, calligraphy and painting. Many historic sites in the old Shanghai are included such as Ningbo Provincial Guide, Jing'an Temple, Longhua Temple, Drilling Plot, the Machinery Sector, British Residence, French Concession, the Bund, the Police Office of the Old Shanghai, Shenbao Newspaper Office, and even the theatres and gardens. "Clustered at the port are the ships from all nations; in the grand and glorious mansions are living the foreigners; meandering in the fresh and mild sunshine after a slight rain are the carts and wagons; with delicate eyebrows and full cheeks are those pretty ladies and intoning praising verses are those fascinated and enchanted talents who gather around." All the lifelike pictures unfolded are surely to inspire your reminiscent illusion and yearnings.

The two-volume thread-binding edition is photocopied on top-grade Xuan paper bound in more traditional Chinese style binding and layout. Treasured up in a brocade-wrapped case, the delicate article makes a cherishable gift.

Editor's Preface

At the turn of the century, Shanghai, as a booming international metropolis, is presenting a fresh look with each passing day, vitality permeating every corner of it.

More than 100 years ago Shanghai started to function as a commercial port. Much of the glory accumulated in the old days has, however, been replaced by modern skyscrapers. The buildings of mosaic Western styles, persistently leaning over the Huangpujiang River, seem to be recounting all the vicissitudes witnessed in the city's history. Increasing yearnings may have arisen for those past memories of Shanghai. How did she, in a short span of one hundred years, spring swiftly into the developed party of cities? What remains of historic sites and scenic spots left with us through all those years are worth our reminiscence and visit?

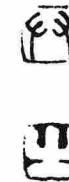

With its excellent drawings and accompanying essays, this collection of Shenjiang Scenery, which came out in 1884, brought to life many of the typical buildings and historic sites of the then Shanghai. All the paintings in this collection were out of the enchanted brush pen of Wu You-ru, a well-known painter in the late Qing Dynasty. Wu You-ru, a Suzhouinese who settled in Shanghai, devoted himself particularly to painting. In 1884, he was invited to come in as the main painter for Dian Shi Studio Pictorial, portraying local custom and memorable events. His works of art enjoyed so much popularity that the collection of his paintings has witnessed far-reaching influence.
