前言

为了培养小学生学习英语的兴趣，提高其学习能力和阅读水平，我们特别组织儿童英语教学专家和优秀儿童画家编绘了这套《小学英语快乐阅读》丛书。这套丛书选文故事均摘自英美等英语国家的儿童读物，经专家改编后与广大小读者见面，故事内容反映出当今国外儿童的生活情趣和爱好，为小学生提供了一套原汁原味的系列读物。

全套丛书的每个分册都由几个故事组成，篇篇故事生动有趣、富有感染力，语言生动纯正、活泼，图画清新、优美、有趣。这些特点使学生感受到英语阅读的趣味，在快乐中学习，在快乐中增长知识，充分体现了寓教于乐的理念。

为了全面提高学生的阅读能力，作者对故事中有难度的单词作了注解。同时，按照新的英语课程标准，根据各级小学生学习英语的特点，补充有针对性的练习，方便学生使用。书后附有故事的汉语译文，可以方便学生理解。

全套书针对各级小学生的阅读特点共分5册，可供不同程度的学生分级阅读，循序渐进。

Treasure in Our Daily Life

日常生活中的财富

On Strawberry Street every day of the week is recycling (再循环) day! On Monday Peter bundles (捆) old newspapers and ties them with string. Ben hauls (拖, 拉) the bundles to the curb for recycling truck to pick up.

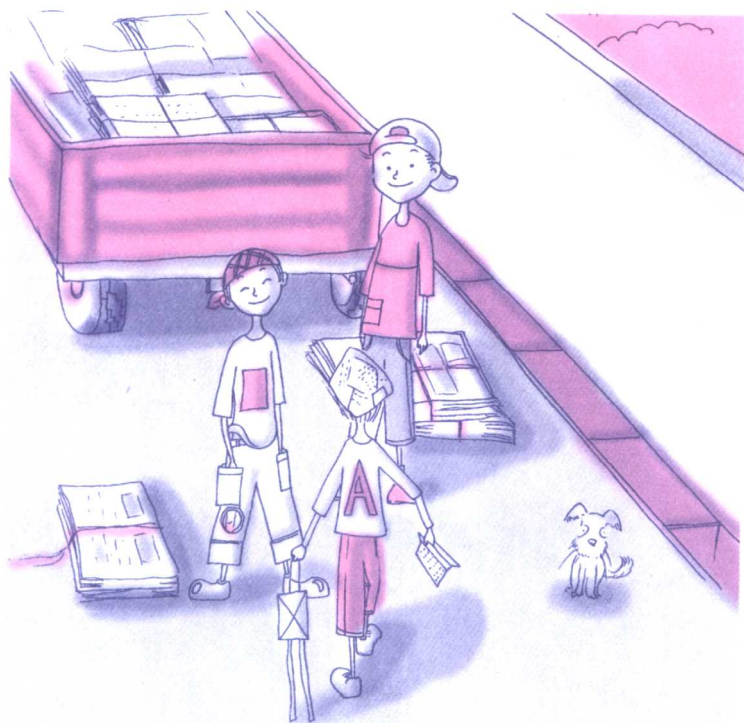

"New things can be made from trash," Ben explains. "We don't like to waste, so we recycle! "

"Hey, Peter and Ben!" calls Oliver. "Check(查看) out our trash treasures(宝藏)."

"It's a party!" Oliver and his friends are using old newspaper to make hats, airplanes and kites.

Treasure in Our Daily Life

"We are the first recyclers(再循环利用者)
because we keep our trash and use it again! See?
We turn trash into treasure. Heh-heh-heh!"

On Tuesday Emmy's Mum brings home used paper from the office. Emmy draws pictures on the back of the paper. Emmy knows that saving(节约) paper saves trees.

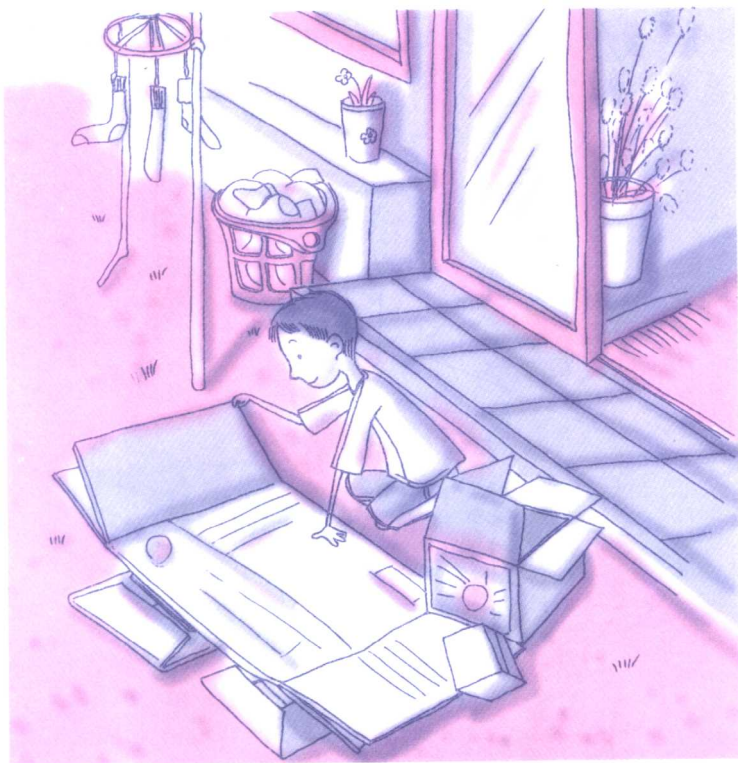

"Look!" says Emmy. "Emmy made a tree. Emmy loves, loves trees."

Fisher, a little boy, loves color, too. But Fisher doesn't color on the back of the newspaper. He colors over the writing on the front (前面)! Fisher makes a beautiful scribble-scrabble(涂鸦). "Trash to treasure," he says. "That's the way we live."

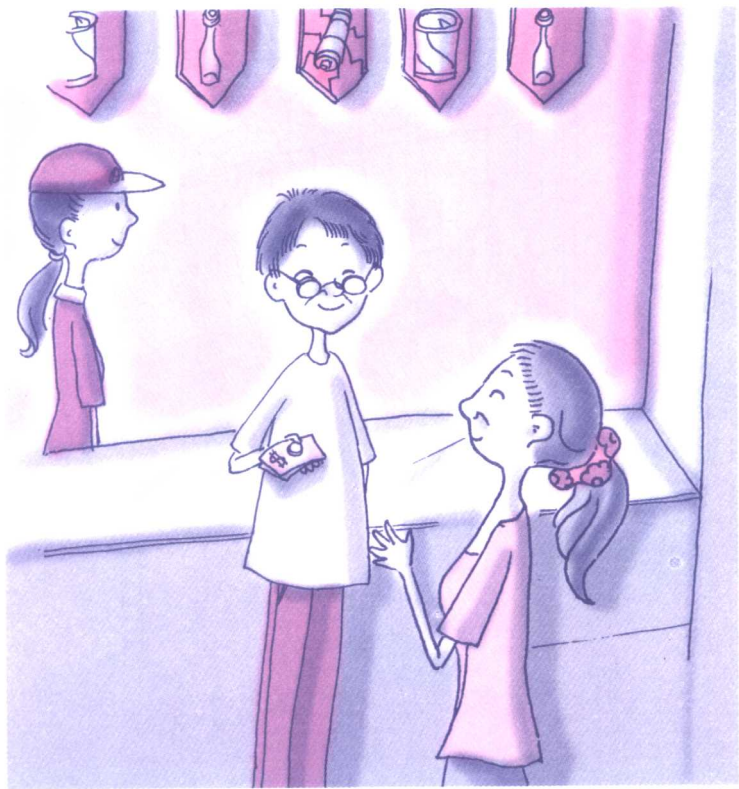

On Wednesday little Mike flattens (铺平) out empty cardboard (纸板) boxes so they can be recycled. "Cardboard is made of paper, too," says Mike, "Old cardboard can be made into new cardboard!"

On Thursday Mr and Mrs White return empty bottles and cans (罐子) to the recycle store. First they count the empties. Then they count the money!

"Wonderful ! Forty-one bottles and cans!"
says the couple. "We get two dollars and five cents
back! Thank you."

Oliver keeps empty bottles and cans and turns them into musical instruments(乐器). Outside the store Oliver's Tin Can Band gives a concert (音乐会).

"All right!" yells Oliver. "Plays it! Trash to treasure. That's the way we live."

On Friday Peggy collects her aluminum (铝) cans and plastic(塑料的) bottles. Then she sorts (把……分类, 拣选) empty glass bottles and jars into different crates. There's one crate for clear glass, one for green, and one for brown. "Old glass can be cleaned and used again," says Peggy. "This is an excellent(很好的, 棒极了) way to recycle!"

But why is Peggy saving old bottle caps?

Peggy saves bottle caps so she can give them to Mary. Mary uses the bottle caps to make jewelry (珠宝).

"Trash to treasure," says Mary, "That's the way we live."
