Department of Chemistry

April 2, 1969

Mr. Ahmed H. Zewail 211. Port Said St. Sporting, Alexandria United Arab Republic

Dear Mr. Zewail:

The Graduate Committee of the Department of Chemistry has recommended that you be admitted to the Graduate School of Arts and Sciences. You will be notified of your acceptance by the Graduate School of Arts and Sciences.

I am glad to offer you a Teaching Fellowship in Chemistry at the University of Fennsylvania for the period August 25, 1969 to Commencement Day, May 18, 1970. These appointments are made on a yearly basis with continuation and reneval subject to satisfactory performance in your teaching duties and in your caedemic work.

The duties of a Teaching Fellow include the supervision of laboratory sections in undergraduate courses, the conduct of recitation sections, and paper and report grading, all of which involve a total of about twelve hours per week. You will register for three courses of graduate work each term, which is considered a full-time program. The stipend is \$2,700 for two terms, plus remission of tution and charges for supplies and apparatus remission of the stipend of the s

A Summer Research Scholarship of \$900, plus remission of tuition and charges for supplies, will be offered to you for the Summer, 1970, subject, of course, to a satisfactory academic record. Thus, the yearly stipend is 35,600.

I note that you have also applied for a Research Fellowship. The Chemistry Department has no Research Fellowships to offer you; these Fellowships are svailable only from a student's research supervisor.

I shall appreciate it if you would let me know as soon as possible whether you will accept this offer of a Teaching Fellowship.
