FOREWORD

Mr. Niu Chongrong who loves his homeland and hometown deeply was born in Yunnan Province, and took many years to survey the tourism resources of Yunnan Province, such as Yunnan diverse ethnic folklores, natural landscapes, human and cultural phenomena, animal and plant resources make for its special charms. The book which sold well on domestic and foreign countries named *The Highlights of Yunnan Tourism* was written by Niu Chongrong and it's also appreciated by tourists.

Marching into the world and it's necessary for Yunnan to enhance mutual understanding and promoting friendship and cooperation among people of different countries of the world. Mr. Niu Chongrong compiled the Chinese again. It's the first time to register and show the remarkable person, unique customs, an unusual phenomenon, rare views and things, wonderful views, marvellous spectacle and etc. of this world to Yunnan in book. All of them looks like a historical cases fetching out the whole world. It spreads the ancient culture showing the beautiful landscapes of Yunnan tourism. Arousing the Yunnan nationalistic lofty sentiments, writing Yunnan

miracle remarkable person and the new highlights of Yunnan world.

I believed that the publishing of this book will be benefit for Yunnan to march into the world and will have a positive impact on the process of pushing Yunnan tourism to embrace entire Chinese nation and the world.
