醉美遵义 邀您共赏

遵义，红底，绿衣，醇香，浓墨重彩。

遵义浓烈。这里铭刻着一幅幅浓得化不开、烈得逼人泪的壮丽图景。总有面孔悄然作别，怀着憧憬长眠；总有身影毅然靠拢，载着重托奋进。红军纵横万里，最关键的会议、最重大的转折、最神勇的战斗、最恢宏的辞章，都成就在这片土地上。遵义会议的万丈光芒，四渡赤水的奇兵天降，伟大领袖澎湃走笔挥就的《忆秦娥·娄山关》，汇成“历史转折，出奇制胜”的千古绝唱。遵义，因而成为一个极富象征意义的转折坐标。逆转了，升腾了，壮阔了，怎能不瞩目？

遵义浓郁。饱含遵义风情的300多处自然生态、人文景观星罗棋布，品位高、组合好、名声远。神秘幽远的杪椈王国、灵动耀眼的千挂飞瀑、接天连地的万顷竹海、铺山盖岭的连绵茶海，问鼎世界的赤水丹霞，一步一景的乌江画廊，众多或原始神奇、或瑰丽壮观、或清新隽秀的美妙景致穿越沧海桑田，跃入眼帘，叩开心扉。而辗转反侧的心动，可能更多地来自人的风景——东汉文字学一代宗师尹珍的开明教化，国内保存最完好的中世纪古军事城堡海龙囤，被称为“西南古代雕刻艺术宝库”的大型宋墓杨槩墓，被赞为“清诗三百载，王气在夜郎”的沙滩文化，魅力独具的仡佬民族文化，“文军西征”并赢得“东方剑桥”美誉的浙大西迁文化……积淀丰厚，韵味悠长。在浸润，在生发，在邀请，怎能不倾心？

遵义浓情。酒是生活，更是文化。遵义酒，雅俗集于一身，醇烈融于一体，带着最传奇、最经典的故事纵贯古今。遵义堪称世上最为醇香的土地，“风来隔壁三家醉，雨后天开十里香”的国酒茅台，随汉武帝“甘美之”赞誉一路飘香。自1915年夺得巴拿马国际博览会金奖、跻身世界三大蒸馏白酒后，相伴近代中国百年风云，成为举世无双的英雄酒、文化酒、庆功酒。董酒、习酒、珍酒等老牌名酒与国台酒、酒中酒、糊涂仙、汉酱等一大批

后起之秀争奇斗艳、享誉神州。以酒建功，以酒会友，以酒结缘，怎能不痛快？

传奇遵义。上天与前人将无价珍宝悉数赐予遵义，遵义之路，注定只能是传奇的续写之路。

遵义各族干部群众团结奋斗、开拓创新，漂亮应对着征途中的种种考验，城乡面貌深刻变化。“四在农家”创建加快了农村文明进程，“服务型党组织”创建拉近了党心民心，全国双拥模范城、中国酒文化名城、中国优秀旅游城市、国家园林城市、国家卫生城市、国家森林城市等城市品牌的落户，老百姓脸上洋溢的微笑，四面八方越来越多的关注，见证着前进的每一步。幸福在累积，信心在提升，希望在招手，怎能不灿烂？

站在全面小康的大门前，遵义一手抓产业发展、一手抓基础设施建设，一手抓招商引资、一手抓环境提升。名酒、名烟、名茶、新材料、机电装备制造、能源、化工等“十大产业”蒸蒸日上，园区建设迅猛推进，发展平台不断拓展；辣椒、蔬菜、竹业、药材、生态畜牧等“八大农业产业”富了农民、养了生态、美了风景；随着三个新建机场的布点和通航，随着新一批快速铁路、高速公路的建设，随着乌江、赤水河航运能力的提升，山水风流、不再迢迢；随着“全国文明城市”、“国家环保模范城市”的深入创建，城市建设管理水平、社会文明程度为之一新，开放、合作、创业、创新的氛围日臻浓厚，宜居宜业宜游的现代化特色城市即将脱颖而出。750万遵义儿女立志赶超先进，率先在全省实现全面小康，率先实现现代化。一个头角峥嵘、风华正茂的遵义就在眼前，一个渐入佳境、引人入胜的遵义就在眼前！

遵义，美名、美景、美酒，佳作天成。

传奇遵义，更添锦绣。

万千锦绣，邀您共赏！

Welcome to Zunyi

Enjoy the City with us

The city is in the green, the water is in the city and the person is in the view. This is Zunyi, a historical cultural city with the charming.

The city that decided the fate of modern China, has brought change to Zunyi, a well-known revolutionary city in Guizhou province with the growing popularity of "red" tourism. In January 1935, Zunyi Meeting was held here, following the meeting, Mao Zedong emerged as the leader of the CPC, and Zunyi Meeting was viewed as the important point of the Chinese Revolution, and the famous battle of SiDuChiShui, namely the Chinese Red Army crossed Chishui river four times miraculously to fight the enemy,

Zunyi is located on the slope where the Yunnan—Guizhou Plateau transits to Sichuan Basin and Hunan Hill, in the northern part of Yunnan—Guizhou Plateau. Zunyi, a humid subtropical monsoon zone, escapes severe cold and sultry heat in summer. The four seasons are distinct, and rain and heat are in the same season. Covering a total area of 30762 square km, Zunyi has more than 7.6 million people from over 30 ethnic groups, including the Han, Gelao, Miao and Tujia nationalities. The population in the central area of city is close to 1 million.

The Zunyi people had lived on this land for thousands of years. They have made great efforts and have achieved tremendous development. The culture of Zunyi has deep foundation and extensive influence. Throughout the history and culture of Zunyi, there were the "three distinguished men" in the Han Dynasty: Sheng Lan, She Ren and Yin Zhen, and "three Confucian scholars" in the Qing Dynasty: Zheng Zhen, Mo Youzhi and Li Shuchang, and Zhejiang University once moved to Zunyi during the anti-Japanese War. With the unique history culture and spirit of long march as the culture support, the people of Zunyi created a distinctive Zunyi culture feature by combining the spirit of age.

Zunyi has not only revolutionary history but also is a Green

Heaven. Zunyi has beautiful mountains and rivers. Its various magnificent views spread all over. It displays the special scenes to the world with those natural high-grade and stranger-type ecology resources and draws great attention of more and more tourists at home and abroad. Zunyi has already own one national and four provincial level scenic spots and cultural relics, such as the Chishui Spot, Chishui Spinulose Tree Ferns Natural Reservation, Xishui Subtropics Forest Natural Reservation, the production base of meitan and so on. The bamboo Forest Park of Chishui is a graceful scene that owns bamboo, water, virgin forest, wild animal and Danxia Landforms. It has been an ideal place that people can be here for a holiday away from the summer's hot temperature and also been a natural environment that writers or poets can complete their works.

Thanks to the unique history and region of Zunyi, there forms a unique regional culture, which takes the "wine culture" and "long-march culture" as the main line. Zunyi is also the home of national wine. In the Han Dynasty, the Renhuai residents in Zunyi have made one kind of good liquor which has been praised as "Ganmeizhi" by Emperor Hanwu. The national alcoholic drinks Maotai, Dong, Xi and Zhen enhance each other's beauty, they bring Zunyi a good reputation of "wine culture city of China". Enjoying equal popularity, Maotai, French Brandy and British Whisky are acknowledged as the world's three famous distilled spirits.

In recent years, the "Four Residents Communities" movement which focuses on the points of "protecting, serving, enjoying and settling resident" has been launched in the urban area, the Four-style peasant family activity which includes increasing peasants' incomes.

Zunyi, a city which has the honored revolutionary tradition and renewed vigor, is accepting the new challenge with a positive attitude.
