爱丁堡大学正雄赳赳地迈着步子,摆出奔赴战场的架势说道: "勇敢一点吧, 你的一生中,有许多事值得争取,永远不要戴着脚镣过奴隶一样的生活。"

剑桥大学又开始吟诗了,他总是那么浪漫:"啊,康河,你那么的清、那么的静……"

睿智的普林斯顿大学谦逊地说: "大学可不是体现在'大'字上的, 像我就特别喜欢小。说白了, 大学也要服务, 为国家、为世界服务。"

"传教士"伦敦大学学院来了,他还是那么慈祥,散发着迷人的贵族气息:"让 所有因其价值而应得奖赏的人都来吧!人生而自由,人生而平等。"

The Story Under the Name of Stanford 斯坦福大学名字背后的故事

It is not enough to do good; one must do it the right way.

—John Morley

人不仅要做好事,更要以正确的方式做好事。——约翰·莫利

Stanford University was established by a pair of respected parents.

They are Mr. Stanford, a railroad magnate, and his wife, Jane Stanford.

In 1884, Leland Stanford Jr., their only son got a terrible cold when their family was on vacation in Italy. Because of the poor medical conditions, he died before long. It was said that little Leland was not even 16 years old. His parents were so sad. And they realized that their family property would never be used on their son any more.

So this couple decided to **dedicate** a university to their only son, and named it after the poor young man. As Mr. Stanford had said, "The children of California shall be our children instead of little Leland."

Before building the school, Mr. and Mrs. Stanford visited the President of Harvard, asked for advice about how to establish a university like Harvard in California. At last, they **donated** \$ 5 million dollars and located their farm as the campus to start a new university – the Stanford University.

世福大学是由一对可敬的父母创建的。 他们是美国的铁路大亨利兰・斯坦福和他的妻子简・斯坦福。

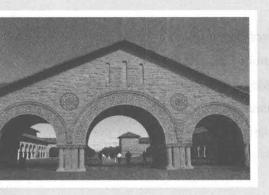

1884年,斯坦福一家在意大利旅行时,家中唯一的孩子小利兰患重感冒,不幸去世了,那时他还不到16岁。斯坦福夫妇悲痛欲绝,觉得再如何辛苦挣钱也没有任何用处了。

为了纪念小利兰,斯坦福夫妇决定在家乡加利福尼亚州创建一所学校,并希望以儿子的名字为学校命名。就像斯坦福先生所说:"虽然我们失去了亲爱的小利兰,但加州的孩子都是我们的孩子。"

respected (受尊敬的)
magnate (巨头,大亨)

donate (捐赠)

为了了解如何创建学校,斯坦福夫妇拜访了当时的哈佛大学校长。在得到相关的建校建议后,他们决定捐赠500万美金,并以自己的农场为校址,创办了这所可以和哈佛大学并肩的斯坦福大学。

The Recovered "Veritas"

失而复得的"真理"

Man approaches the unattainable truth through a succession of errors.

—Aldous Huxley

人们通过不断犯错误接近不可企及的真理。——阿尔多斯·哈克斯利

The badge of Harvard University is "Veritas", which means "truth" in the Latin language.

On December 27, 1743, the badge was born at a meeting. The minutes of the meeting clearly recorded the pattern design — it was greeted by the three open books, two facing up and one facing down. There were "VE" and "RI" on the books which were facing up, and "TAS" on the other. And the background of the books is a **shield**, which means Harvard would defend the truth all the time.

However, the design came to nothing as nobody noticed it after the meeting. 200 years later, Josiah Quincy, President of Harvard discovered the important historical document accidentally, while he was presiding over the celebration for the 200th anniversary of the university. When he introduced the "recovered" badge design as an important part of the celebration to the teachers and students, everyone was filled with all sorts of feelings, apart from the cheering.

It seemed to tell people that truth would never be forgotten, although it may be **ignored** sometimes.

佛大学的校徽图案是"Veritas",它 日 是拉丁文"真理"的意思。

这个校徽最初诞生于学院在 1643 年 12 月 27 日举行的一次会议上。那天的会议记录中清楚地记载了该图案设计:它以三本展开的书为主体,两本面向上,一本面向下。在上面的两本书上分别印刻有"VE"和"RI"两组字母,而在下面的一本书上则印刻有"TAS"这组字母。三本书的背景是一个盾牌图案,整体的含义是:哈佛大学将永远捍卫真理。

可惜,院长在主持了那次会议后,就随便将那次会议记录丢置在一堆文件当中,一直无人问津。直至200年后,时任哈佛院长昆西在主持200年校庆过程中,无意中发现了这份重要的历史文件。他把这份"失而复得"的校徽图案作为本次校庆的一个重要项目推介给师生,大家在欢呼之余,无不感慨万分。

它似乎在昭示着人们: 真理是不会被遗忘的,纵使它一时半会儿可能被人们忽略。

In 1918, the 21-year-old young man, Xu Zhimo went to America to study the banking. At first, he wanted to be a politician like Hamilton. Before long Xu became confused about the study and decided to follow Russell, the famous philosopher in England, in order to study some real knowledge after him.

However, the fact was another situation. Russell was not in the Cambridge University when Xu arrived in the fall of 1920. So he had to stay in London and study in LSE **temporarily**. There Xu met the author Dickens. With his help, Xu was eligible to study in the King's College. Fate began between him and Cambridge.

In Cambridge, Xu fell in love with Lin Huiyin, a beautiful girl with talent. Yet this love story ended in tragedy as Lin returned home soon. During this same period, Xu divorced his wife as well. In order to change his mood at that time, Xu turned to writing poems, which left a mystery of Cambridge
