## Preface 序言

Villa is the residence that most of the people desire, for villa represents individual and it is an absolutely private living space for a family. The challenge of design strength of a villa is it's height, you can imagine you sit in a hall with a five -metre -high ceiling, and then you can feel it's power, Such a height only can exist in a penthouse apartment or in a villa, which also is the feature of a villa

Another reason why villa has such a super charm is the stairs. Stairs don't only mean a key hinge to a villa, but also a symbol of the manner a villa is supposed to be. For example, when you enter a villa, the first thing comes to your sight might not always be the hollow hall but the stairs. Of course, how to design the stairs, it is up to the designers.

Sums up the two points above, if a design can make the most of the hallow hall and impressive stairs, and does it well, then the designed villa definitely is the one everybody wants to own

别墅是大部份人渴望拥有的居所,别墅代表了独立,是一家人拥有 绝对性私人空间的一个居所。体验别墅的设计力量,是在于它的高度, 当你坐在一个有五米高以上中空位置的大客厅中,可以体会得到它 的威力;这种高度除了可能出现在高层的复式之外,就只有别墅了, 这也是别墅的一种结构。

别墅具有超凡魅力的另一个特点是别墅的楼梯。楼梯对别墅不仅仅 是起了一个枢纽的关键,同时是体验别墅气派的象征。一入门口, 未必是先见中空位置,有可能是先见楼梯,至于楼梯可以如何打造, 每一位的设计师有不同的设计手法。

归纳上述两点,如果设计时能充分地掌握及善用中空位置和楼梯气 派的精髓,这种别墅的设计一定是每个人都想拥有的。 The future of villa design no longer only means gorgeousness, and a family needs warmth. So i have reasons to believe that a home should be in order, but besides that, a home should be a combination a house and a family, this can be expressed by the spatial planning. A villa like this is the trends of future villa design. A warm and harmoniousdesign is far beyond ultra luxurious European decoration way. Yet luxury and European style is never out of fashion, so if a design can merge family warmth into it, it will be favored by more people. And how, it again depends on designers.

Those are some thoughts about the book 'Private Feast-Private House High Quality Residence Design', here i appreciate the invitation form editors of this book. And last, i want to say villa provides me sufficient feeling space and private as well, it gives me chance to enjoy the pleasure between family and friends, that's it is really an enjoyable space without any pressure.

Apex Design Consultant (Shenzhen) Limited, Li Oien

别墅的未来设计趋势,已经不是单单只要豪华。一个家庭需要的是温暖,为此我深信除了整整齐齐以外,可透过空间规划来体验家庭的融合是未来别墅的设计流行趋势,温暖及和谐的设计肚于超豪华或者按奢华的欧式装饰。当然秦华及欧式是永恒的设计元素之一,如果能把家的味道融入其中,那么将会受到众多人的喜爱,如何将温暖及和谐完美融合于空间中,每位设计师也都会有自己的表达方注

有感而为《私享·私宅:高品位住宅设计》一书作序,感谢本书编辑人员的邀请,最后我想说的是:别墅给我的感觉空间足够大,也 绝对私隐,它可以让我、家人和朋友共聚天论,谈天说地,为此它 是一个没有压力的空间也是一个写意场所。

## LUXURY VILLA 别墅豪宅

# XIAMEN POLYMAY FLOWER-FLORIDA

#### 厦门保利海上五月花一佛罗里达

设计公司 | 广州尚逸装饰设计有限公司 设计 师 | 王小峰、王赟 项目地点 | 厦门

This case attempts to create a comfortable European home. It emphasizes ornate and elegant elements without any complicated carved beams and painted rafters on it's hard decoration, but it optimizes the exquisiteness and taste of new Europe type on furniture and accessories. And they choose ecofriendly materials and delicate work to ensure a warm,

comfortable and leisurely home. They follow the concept "less is more" and focus on space taste so as to create a life style to demonstrate the taste of the owner.

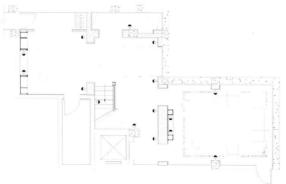

When you step into the house, you will somehow be surprised, it is a world of black, white brown with contracted furniture, it feels cold yet with little

#### elegance and staidness.

Designers employ modern design way and materials to recover classic charm, then the space becomes an integration of classic one and modern one. This perfect combination allows people to enjoy material civilization as well as spiritual civilization.

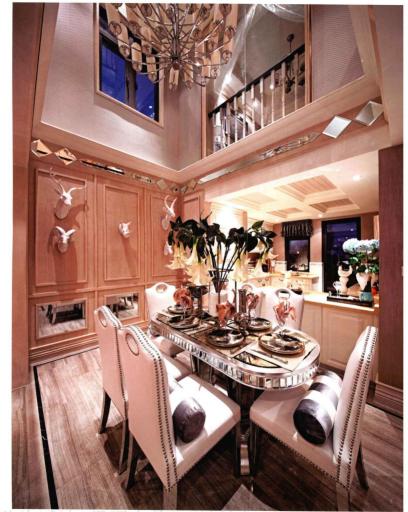

本案极力营造一种温馨舒适的欧式风情,硬装 上强调年丽、雅效、没有复杂的繁美画栋,但 在家具配饰上,则把新欧式风格的精致和品格 做到极致。用党强调环保、缓工强调精致、 调读的温暖、舒适和休闲。遵循少即是多的设 计理念、强调空间格调、极力打造一种格调生活, 整显房生品味。

步入室内,让人觉得一阵莫名的惊喜,黑、白。 灰、棕的主色调,简约的家具,冷峻中透着这 丝沉稳和优雅。在注重装饰效果的同时,用现 代的手法和材质还原古典气质,让空间兼具古 典与现代的双重审美效果,完美的结合也让角 们在享受物质实现的同时得到了精神上的股精。
