Learning a language can be a scary ordeal. It's a complicated, daunting monster that can frighten even the surest of students into silence. But it's not impossible to overcome. People learn a language best when immersed in the environment of that language. However, how can you best equip a person for the numerous conversational situations that take place on a daily basis? That was the problem I tried to solve when I first set out to write this book.

When I first started teaching English in Taiwan, the first thing that I noticed was the hesitation to speak. Students lacked the confidence to say what was on their mind. While they possessed a wide vocabulary bank and understood many grammar rules, they were unable to fit all the pieces together. Most importantly, they were unsure of themselves when it came to speaking and what to say in certain situations. So what did they do? They shut up.

A conversation takes place not with just a single individual, but between two. You can memorize all the vocabulary words you want and be able to conjugate verbs, but until you can put it all together, you have not mastered a language.

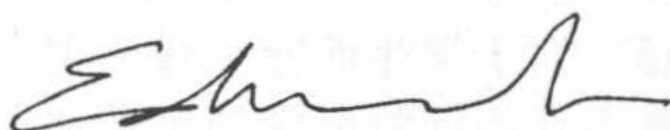

I have had many a student come and tell me that they cannot speak English well, but that if they memorize more vocabulary words, they can then hold a conversation. While it is important for students to learn and memorize vocabulary words and the basic rules of a language (i.e. grammar), it

is equally important for them to learn how to shape those words and phrases into a meaningful whole and how to use the language in a social context.

This book is designed to give students an interesting and insightful look into various social situations that they might come across on a daily basis, in which they can usefully and purposefully practice their English. With over 200 situations and 18-20 useful sentences and phrases to go along with each situation, students can achieve a level of competence they didn't have before.

By learning these expressions and phrases, students will be armed to go into the real world and communicate on a level that can be understood by native speakers. However, in order to be successful, you have to practice and use what you've learned. If you don't practice what you've learned, you forget what you've learned.

My hope is that this book will help encourage students to dive into a conversation and to keep it going, that they will find what's in this book helpful. It is by no means a comprehensive book with the answer to everything, but hopefully it can act as a springboard, a launching point as they continue to learn and develop the use of their second language. I wish every student the best of luck!

作者序

Preface

“语言学习”是件苦差事。它就像一只令人怯步的怪兽，甚至会让最有把握的学生在瞬间变得沉默。但这不是无法克服的。学语言最好的方法就是让自己沉浸在该语言的环境中。然而，
“该如何装备自己，让自己足以应付各种场合的对话情境呢？”这就是我试图在本书中解决的问题。

当我刚开始回国教英文时，首先注意到的就是，国内学生对于开口说英语总是犹豫不决。学生们对于心中想表达的说法缺乏信心，即使拥有丰富的字汇并充分了解文法规则，他们还是不敢将所理解的片段拼凑在一起脱口而出。最重要的是，他们对于自己在某些特定情境该说什么、该如何表达感到不知所措。那么他们会怎么做呢？闭上嘴巴保持沉默！

“对话”不可能出现在单一个体中，而是在两人之间。也许你记得所有可以使用的词汇，但却无法将这些词汇妥善组合在一起，构成流畅的句子。有许多学生对我说，他们无法说好英语，虽然已经背了很多单词，仍然无法进行流畅的会话。对于学生而言，背单词、学文法固然重要，然而该如何将所学的单词和片语，转化成有意义

的话语，并了解在社交场合中如何妥善运用，这点更加重要。

本书的设计是为了帮助读者在日常生活中随时掌握充分的句子，可以应付各种场合的基础对话。透过书中的会话，读者将能更精准地运用各种说法，并且依照不同情境进行妥善练习。全书包含200则以上的状况情境，每个状况都有18~20句实用句子。透过练习这些句子，读者的英文水平将能迅速提升。

藉着学习书中的语词和表达方式，读者将能做好充分准备，随时都能灵活运用高水准的沟通方式，达到能和外国人顺利沟通的水平。当然，你必须将本书内容运用于实际生活中。如果缺乏练习，是很容易忘记的。希望这本书能鼓舞读者进入英语会话的世界中。虽然这不是一本万能解答书，仍希望本书能成为读者学习英文的跳板。衷心祝福各位读者学习愉快！
