重庆彭水欢迎您

彭水是一方灵山秀水，彭水是一块原生态旅游处女地！它位于乌江下游，地处渝东南门户，东走张家界，北望长江三峡。风景秀丽，风情醉人，“蜀中山水奇，应推此第一”，是西南出海大通道上一颗璀璨的明珠。

早在春秋战国前，这里就诞生了举世无双的“盐丹文化”。自汉以来，这里先后是涪陵郡、黔州、黔中道、绍庆府治所地，曾经是渝黔湘鄂桂结合部的政治、军事、经济、文化中心。这里是重庆市唯一以苗族为主体的自治县，勤劳智慧的各族人民，创造了丰富多彩的民族文化，是乌江画廊上一道靓丽的风景。

近年来，彭水吹响“旅游兴县”的号角，依托原生态山水，挖掘历史民族文化，围绕“乌江画廊”，倾力建设阿依河、摩围山、乌江彭水电站库区、鞍子苗寨、郁山古镇等景区，不断完善基础设施，努力建成重庆市以苗族风情为主的民俗生态旅游高地和全国知名旅游目的地。

在彭水，随时都能感受到大自然的亲和力，体验到苗寨浓浓的感召力；在彭水，随时都可聆听到原始与现代的对话，感悟到原生态与新时尚的交融。

热情好客的彭水人，正敞开胸怀，欢迎你的到来！

Wu River: the Picturesque Gallery Pengshui County: the Dreamland

Welcome to Pengshui, Chongqing

Endowed with marvelous sights of waters and mountains, Pengshui is a fictitious eco-tourism resource. At the lower reach of Wu River, it is the gateway to the Southeast of Chongqing with China Three Gorges to its north and Zhang Jiajie to its east. For all its picturesque scenery and fascinating ethnic flavor, it has always been a brilliant pearl on the Southwest Thoroughfare to the Sea of Guangxi.

Even before the Spring and Autumn and the Warring States Periods(770-221 B.C.), there developed unique “Yandan Culture” (meaning the culture of salt and Chinese alchemy). Ever since Han Dynasty (202 B.C.), it had served as the seat of a rang of administrative frameworks, which ultimately made it the center of politics, military, economy and culture in the border area of Chongqing, Guizhou, Hunan and Hubei Province. Now, it is the only antonymous county with the Miao people as its principal body in Chongqing. Assisted with their endeavor and intelligence, the people here have built an amazing land

abundant in both cultural and ethnic accomplishments.

In recent years, with the original ecological landscape as well as historical and ethnic heritage, the county has spared no efforts to build this land into a famous ethnic tourism resource in Chongqing and a tourism attraction all over China by adhering to the strategy of “Revitalizing the County through Tourism”. So far, a series of scenic spots have been constructed with the Gallery of Wu River the most desirable, following which there are A’yi River, Mowei Mountain, Wujiang Pengshui Hydroelectric Station Reservoir, Anzi Miao Village and Yushan Town.

Here in Pengshui, you can always communicate freely with nature while experiencing the splendid Miao culture; you will be a witness of the interaction between the past and the present, and a participant of the harmonious dialogue between the primitive origin and the new fashion.

With their hospitality and friendliness, the people here welcome your arrival.
