## 序言

张维明的摄影画册《行走云南》是献给哺育他成长的故乡云南的一项美丽的花冠。

这一朵朵的鲜花，在云雾迷离的高山之巅和溪流旁默默盛开，在色彩斑斓的花海间与牧场上静静绽放，记录着火塘边温馨的日子，见证了婚礼上单纯的快乐。

七彩云南，秘境云南，在这里，大理洱海的丰收渔歌，唱醉了过往的悠悠白云；丽江古城的纳西古乐，奏响了被遗忘的旧日时光……

我们用虔诚的心灵，朝拜香格里拉金碧辉煌的白塔和卡瓦格博圣洁肃穆的雪峰，心灵一尘不染；我们放飞美妙的思绪，穿越雄奇险峻的怒江大峡谷和神秘辽阔的川滇一线，思绪越飞越远……

婀娜多姿、风情万种的花腰傣小阿妹，在赶摆的路上唱起动人的情歌；鬓发如霜、满面沧桑的独龙族老阿奶，在醇香的腊烟气味里回味如烟的往事……

最难忘红嘴鸥年年岁岁迎着西伯利亚的寒流前来赴约，伴着昆明翠湖的依依垂柳，双双对对，比翼齐飞；更欣喜黑颈鹤把会泽长海子、大桥当作自己栖息的家园，鸟与人类、与自然和谐相处，其乐融融。

哈尼梯田，一行行挂在大山上的诗，百读不厌；东川红土地，一幅幅铺展在大地上的画，美不胜收。

来吧，到普者黑划船泼水，让清澈的湖水洗去你一身的劳顿和疲惫；来吧，到石屏看花腰彝姑娘耍龙，感受创造美好生活的幸福和欢乐！

跟随着张维明的《行走云南》，我们在大美的云南行走，流连忘返，陶然忘归。

在十余年的摄影创作实践和摄影理论研究历程中，张维明创作了大量从思想性到艺术性都具有很高品位的摄影作品，《行走云南》凝聚了他十多年来行走云南的心血和汗水。

90年代中期，张维明调到云南省文联工作，有了更多机会在云南各地深入生活。云南山川的雄奇秀美和独特地貌，云南人民的勤劳勇敢、善良淳朴，云南各民族民风民情的多姿多彩，更激发了他的创作灵感。这段时间，他的摄影作品大量涌现，拍摄题材更加丰富，艺术视野更加开阔，摄影技巧更加成熟，思想内容更加厚重。

张维明的摄影作品，拍摄范围遍及云南16个州市，及至川、滇一线。虽然很多题材已被云南、省外乃至海外的摄影家拍摄过，但张维明总能独具视角，另辟蹊径，拍摄到与众不同的景象和场面，用自己独特的摄影语言，带给观赏者不一样的艺术感染。在进行摄影艺术创作时，张维明注重作品的诗情画意，他的作品，大多以多元的角度、曼妙的光影点染、刻画摄影对象，从而化平凡、平淡为奇妙、神奇。

曾长期担任云南省摄影家协会秘书长、中国摄影家协会理事，现任云南省文联专职副主席的张维明，不仅仅是一名行政领导，也是一位硕果累累的摄影工作者。我们衷心祝愿他在摄影艺术的广阔天地里自由驰骋，收获更多生命的惊喜和感动。

## Preface

Zhang Weiming's photograph album Travel in Yunnan is like a beautiful laurel woven for his native place Yunnan.

The flowers are in full of bloom silently, at the peak of mountains and nearby stream, in the sea of the colorful flowers and pastureland, which records the warm and sweet days nearby the fire pit and witnesses pure happiness on wedding ceremony.

Colorful Yunnan, a mysterious place. The fishermen's songs of bumper harvest of Erhai Lake in Dali delights the passing clouds. Naxi Nationality's Ancient Music in Ancient City of Lijiang arouses the past time in memory.

We pay deep homage to magnificent White Pagoda in Shangri-la and holy, solemn and quite Kavag-bo Snow Mountain with devout soul. The soul is spotless. He free thought fly across Nujiang River Gorge to the border between Sichuan and Yunnan. The thought fly farther and farther.....

Little lovely girls of Huayao branch of Dai nationality are more lithe and graceful with their rich conditions and customs. Their enchant sound of love song spreads over the way of the fair. The old lady of Dulong nationality ponders over memories of the past in smoke and dust smell at home, is graying at her temples and time-weathered experience on her face.

It is the most hard to forget that red-mouth gull fly against the cold wave from Siberia to Kunming for keeping an appointment every year. They fly in pairs or groups over Green Lake, and drooping willows is waving gently in the breeze there. It is most exciting that the black-necked crane take Changhaizi and Daqiao of Huize County two Nature Reserve as their warm and sweet home. The birds, men and nature live together harmoniously, sweetly and lightly.

Hani Terraced fields (named from Hani nationality's wonderful terrace), is like some lines of poetries over the mountain which never get tired of reading. Dongchuan Red Earth is like some pretty pictures spread on the land, more than the eyes can behold.

Come on, to boat and splash in lake of Puzhehei, let clear lake water wash away your fatigue. Come on, to watch dragon dancing play by the girls of Huayao branch of Yi nationality in Shi Ping, feel the happiness and joy of creating good life!

Follow Zhang Weiming's Travel in Yunnan, we travel in grand and beautiful Yunnan, enjoy ourselves so much in the beauty of the landscapes as to forget to go home.

In the process of practice and theory studying of photography, Zhang Weiming has created many high-quality works that very thoughtful and artistic. Travel in Yunnan is a crystallization of his 10-year efforts of toiling over Yunnan.

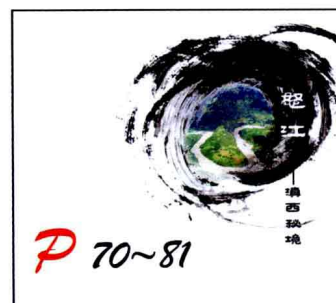

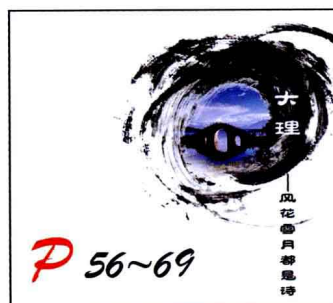

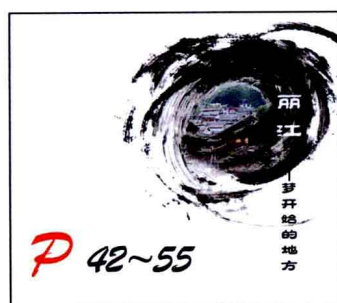

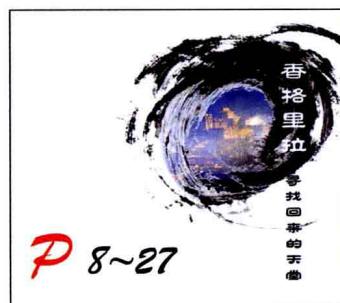

In the middle of 1990s, Zhang Weiming was translated to Yunnan Federation of literary and art circles, therefore he had much good chance to go deeply into the realities of life everywhere in Yunnan. In Yunnan, the mountains are majestic and vagarious, graceful and elegant, and the landform is very distinctive, and people is very industrious, courageous and kind-hearted, and every nationality's local conditions and customs are in various kinds. All these stimulated Zhang Weiming's creative inspiration. At that time, he created works of photography in great numbers with more abundant subjects, broader art vision and deeper thought.

The theme of Zhang Weiming's photography works covers over 16 states or cities in Yunnan, even to border between Yunnan and Sichuan. Although many photograph theme have been taken by many people who from other provinces even overseas, he also shows originality with different ways to get different scenery and spectacle. He affects the watcher just with his original photo-language. In the creating, he always attaches importance to poetic beauty of works, and depicts the object mostly with many point of view and graceful light and shadow. Therefore, he transforms the ordinary and simple to miracle.

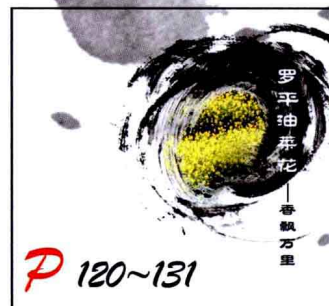

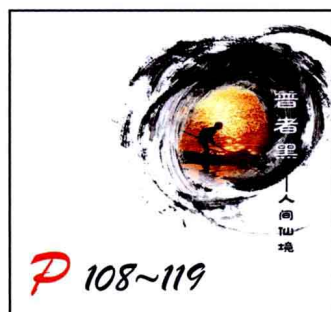

Zhang Weiming had assumed the secretary of Yunnan Photographers' Association and been a council member of China Photographers' Association for a long term. Now, he is a full-time vice-president of Yunnan Federation of Literary and Art Circles. He is not only an official, but also a photographer with numerous significant achievements. We sincerely hope that he will freely play an outstanding role in the wide photograph world, and get more pleasant joy and happy astonishment in his life.
