SYMPHONIC-CHORAL

SPRING TIDE

April 2008

This chorus is presented in a combination of male and female solo, children's chorus, mixed chorus and symphonic orchestra. It sings a high praise for the great changes Shanghai has experienced in the past three decades since the reform and opening-up policy was carried out, as well as the tolerant, excellence-pursuing, open-minded and modest attitude of the Shanghai people.

It was selected as the commissioned work of the "Shanghai Spring" International Music Festival by the Shanghai Media Group and the Propaganda Department of Shanghai Pudong New Area Committee of CCP. It was first performed in the closing ceremony of the 2008 "Shanghai Spring" International Music Festival.
