Preface

I .Guiyang Statistical Yearbook 2012(abbreviated as Yearbook hereafter) is an annual publication which provides comprehensive and systematic data series of Guiyang's economy and social development in 2011. It covers data for 2011 and key statistical data after reforming and open up in Guiyang.

II .The yearbook contains:Divisions of Administrative Areas and National Resources; General Survey; Population and Family Planning; Employment and Wages; Investment in Fixed Assets; Energy Consumption; Industry; Construction; Agriculture; Domestic Trade, Foreign Trade and Tourism; Traffic, Transportation, Postal and Telecommunication Services, Urban Public Utilities; Government Finance, Taxation, Banking, Securites and Insurance; Urban and Rural Survey; Science and Technology, Education, Culture and Radio; Public Health, Sports, Social Welfare and Others; Major Economic Indicators of China, Guizhou Province, Provincial Capital and Deputy Provincial City in China; Indicators of Main Years.

III.The information of this Yearbook comes from annual statistical reports, sample surveys and department material. The concepts, definitions and coverage of statistics of some data in the book have been adjusted, which are not comparable with former years. Therefore some notes are added after the tables in the book. Readers are alerted to the notes.

IV. Statistical discrepancies due to rounding are not adjusted in this yearbook.

V. The data of former yearbook, which are not in accordance with this Yearbook, are subject to the data in the Yearbook.

VI. Some indicators in Districts and Counties are the regional requirements in the Yearbook; please pay attention to that while using.

VII. Notations used in this yearbook: "blank space" indicates that data are not unknown or are not available; "#" indicates the major items of the total; "-" indicates the data are cancelled or no comparable to compute.

Thanks for enthusiastic assistances of many relational units and individuals in the process of edition. Due to our limited level and hasty time, faults and shortage are unavoidable. We ask for criticism and comments from general readers so that the Yearbook can meet to the demand of personalities of various circles better.
