山水经典 峡谷极品

——序《焦作山水》

秦玉海

每一方山水都是美丽的，每一方山水都有各自的美丽。泰山雄，华山险，黄山奇，桂林秀，张家界的奇峰，九寨沟的丽水……锦绣中华，江山多娇；万水千山，千姿百媚。——而焦作山水则以峡谷见长，堪称峡谷景观中的极品。

焦作，在地处中原的河南，在太行山南麓，在黄河北岸，是我国新兴的山水旅游城市。焦作山水深得大自然造化，雄秀双绝，南北兼长，可谓名山名水，大山大水，好山好水。八百里太行，挟赵燕欢歌，顶三晋风尘，逶迤南下，挺进中原，在这里嘎然而止，陡起一挂挂险峰绝壁，形成一条条深壑幽谷。南太行峰峦叠嶂，谷壑纵横，属典型的喀斯特地貌，系独特的东亚裂谷，既如一座地质宝库，又如一部山水宝典，蕴藏着百读不厌的青山绿水，高山流水，奇山秀水。

随着新世纪的旅游浪潮，焦作山水从千年的沉睡中醒来，掀开了原始神秘的面纱，显露出美丽动人的容颜。在绵延百里的风景线上，山水相依，群峡荟萃，现已开发形成了以云台山、神农山、青天河、青龙峡、峰林峡等为代表的五大山水峡谷景区。云台山一峰领三峡，茱萸峰高耸云端，群山拱围，群峡环抱，恰是一朵盛开的莲花。泉瀑峡泉瀑双绝，多孔泉力凿山岳，直破崖壁，金铁交鸣，低吟浅唱；三百余米落差的云台天瀑，悬于千仞绝壁，挟风带雨，雷霆万钧，震耳发聩，惊心动魄。潭瀑峡三步一泉，五步一瀑，十步一潭，濯足而上，戏水其间，赏心悦目，回归自然。红石峡丹崖碧水，深壑窄谷，天地一线，曲径通幽，玲珑精美的山水世界仿佛梦幻仙境。神农山深谷起雄峰，山中有谷，谷中有峰；白松岭横卧于深谷之间，好似云端巨龙，又如天然长城；白鹤松千姿百态，一松一景，翩翩起舞，道骨仙风。峰林峡高峡出平湖，水环抱于山间，山倒影在水中，天生

丽质，静如处子，水上行舟可仰观峰移云幻，岭上漫步可俯览人间天池。青龙峡天成九连瀑，原始神秘，深邃清幽，拾阶而下，逆水而上，一步一景，步移景迁，泉潭瀑溪涧，峰谷岭洞石，九曲十八弯，弯弯景不同。丹河峡谷一峡通豫晋，自古为豫晋交通要塞，兵家必争之地；羊肠坂道行路艰难，长平之战血流成河，险峰峻岭对峙两岸，古寨城堡雄踞其间；位于峡谷中的青天河景区山光水色，三峡神韵，既是山水景致，又兼人文景观。焦作山水四季更迭，色彩变幻，春赏山花，夏看山水，秋观红叶，冬览冰雪。四季云海，千变万化，或如水墨丹青，或如波涛汹涌。独具魅力的焦作山水，尽现惊心动魄、雄浑阳刚之美，多姿多彩、秀丽婉约之美，天人合一、回味无穷之美。

焦作的美丽山水养育了韩愈、李商隐、司马懿、朱载堉、许衡等历史名人，有着丰富的历史文化积淀。在这方山水之间，“竹林七贤”结朋游历，醉酒高歌，淬剑论道；曹操自此北上太行，吟《苦寒行》，慨叹“羊肠坂诘屈”；王维登茱萸峰，咏思亲之情，遂成“每逢佳节倍思亲”佳篇名句；“布衣王子”朱载堉不恋皇位恋山水，在此潜研音律，留下“十二平均律”千古绝唱；陈王廷感悟山水神韵，创立阴阳互补、刚柔相济的太极拳功。这些又使焦作山水平添几多历史的厚重。

仁者乐山，智者乐水，山水给人类的昭示和启迪永无穷尽，人类对山水的向往和热爱永无休止。山水哺育艺术，艺术展示山水，山水与艺术共同愉悦人类爱美的心灵。结缘于焦作山水，结缘于摄影艺术，谨以此集呈献给热爱山水、热爱艺术、热爱生活的人们。

CLASSICAL RIVERS AND MOUNTAINS AND WONDERFUL VALLEYS

Preface for Rivers and Mountains in Jiaozuo

Each river or mountain is beautiful and has its own beauty, for example, Taishan Mountain is grand, Huashan Mountain is precipitous, Huangshan Mountain is peculiar, and Guilin is elegant, and Zhangjiajie boasts great peaks and Jiuzhaigou boasts the pretty rivers, and so on and on. For China, there are many long rivers and various mountains with wonderful sceneries. Jiaozuo, however, is famous for its canyon, the rare and great ones among the gorge scenes.

Located in the Central China's Henan Province, Jiaozuo is at the southern foot of Taihang Mountain and the northern bank of Huanghe River, and is one of the tourist cities newly established in China. With the natural features, Jiaozuo boasts the famous and beautiful rivers and mountains integrating both the grandeur and elegance. The 800-li Taihang Mountain winds from the north to the south and to the Central China and stops at Jiaozuo abruptly, so a series of great peaks and cliffs are created here with many deep and quiet canyons and valleys. The southern part of Taihang Mountain features many high ridges and peaks, and vales and gullies in length and breadth, demonstrating the typical karst landform. As the unique rift valley in the Southeast Asia, it is like the valuable geological treasury and has the collection of clear rivers and green mountains worth reading for many times.

With the arrival of the new turn of tourism in the new century, Jiaozuo has wakened its rivers and mountains from dreams and unveiled its mystery and attractive beauties to the outside world. Along its pretty valleys with the rivers and mountains adding the glory to each other, there are more than hundred canyons, with the five landscape canyon scenic areas (Yuntai Mount, Shennong Mount, Qingtian River, Qinglong Canyon and Fenglin Canyon) having developed already, and each has its own features. Yuntai Mount has a lake linking with three gorges; Zhuyu Peak stands high in the clouds, with mountains and gorges surrounding, looking like a blooming lotus flower; Quanpu Gorge is famous for both its waterfall and spring with multiple springs cutting in the rocks and crashing against cliffs, where you can enjoy the beautiful music played by such natural instruments; you can also enjoy the waterfall at Yuntai, with the fall more than 300m—hanging at the high and steep cliff, great, powerful, showing the heartquake; Feicui Gorge has many founts, waterfalls and ponds—enjoyable, pleasant and attractive; Hongshi Gorge shows its red cliff and clear water, with deep gully and narrow vale—tranquil, great and colorful; Shennong Valley has the valley amidst the mountains and the peaks amidst the valley. Baisong Mountain is in decumbence between the cloughs, looking like a great dragon in clouds or like the naturally created Great Wall, with many beautiful white pines looking like the pretty dancers, offering the attractive scenes to the visitors. Fenglin Gorge has the lake at higher position, with waters encircled in mountains and the inverted image of mountains on the water surface, with the excellence and elegance and natural beautiful features, where

tourists can enjoy the changeable clouds on the lake and admire the pond while walking on the ridge. Qinglong Canyon embraces the naturally created 9 linking waterfalls, with the virginal mystery, where the tourists can walk along the steps to the tranquility and various sceneries—font, pond, waterfall, brook, gully, vale, ridge, cave and rock. Danhe Canyon links Henan and Shanxi, acting as the traffic fort since the ancient time, with the important position in military and the winding and long paths, where the tourists can trace its proud history, and enjoy its perilous peaks and high ridges at its both banks, the ancient village and castles amid it; its Qingtian River scenic area boasts the attractions of river and mountains, with the verve like the Three Gorges on Changjiang River, where the tourists can appreciate both the natural and human sceneries. Jiaozuo enjoys different beautiful sceneries at different seasons, the tourists can enjoy the various sceneries in four seasons—the flowers in the spring, the river and mountains in the summer, the red leaves in the autumn and ice and snow in the winter. The rivers and mountains in Jiaozuo have the boundless charm, demonstrating the heartquake of grand attractions, where the tourists can appreciate the colorful and pretty and forgettable beauties.

The charming rivers and mountains in Jiaozuo fostered many historic celebrities, such as Han Yu, Li Shangyin, Sima Yi, Zhu Zaiyu, Xu Heng and so on, and Jiaozuo has the rich historical and cultural heritages. In this place, the ancient “7 Celebrities at Bamboo Grove” made friends and traveled, enjoyed wines, sang in high spirit, practiced the sword and had discussions; Cao Cao marched to the Taihang from here, composing poems such as the Hard Trip (Ku Han Xing), sighing with regret for the “zigzagging difficult path in maintains”; on the way to Zhuyu Peak, Wang Wei missed his family and composed his poem including this sentence on festive occasions more than ever one thinks of one’s dear ones far away; and the “prince in common clothes” Zhu Zaiyu did not long for the position as emperor and indulged into the rivers and mountains and turned to the swing instead and created his great masterpiece; Chen Wangting was inspired by the verve of river and mountain and created the Taiji quan (shadowboxing), the miraculous and wonderful in the world. All these have added more glories to Jiaozuo.

A true man loves the mountains and a wise man loves the rivers, and the mountains and rivers have delivered and will deliver their inspirations and messages to us. The longing and love for rivers and mountains of our human beings are indefinite and endless. The mountains and rivers nurture the art and the art expresses and describes the mountains and rivers, and both the art and mountains and rivers will please our souls fond of the love for beauty. Being lucky to have such rivers and mountains in Jiaozuo, and to have the love for photographic art, we have presented this album to our dear readers who love the rivers and mountains, the art and the life.
