*Art Viewpoint* takes "Direct dialogue between artists and audience" as its guiding editorial principle. The journal emphasizes simultaneous development of the study of fine arts, theory and practice in art, and the quality of multimedia. It also emphasizes research and explication of the creative process of artists and the meaning of what they want to express in their work. The aim of the journal is to improve the mutual understanding and relationship among authors, editors, and readers. It has had a major impact on the art world in China.

The publication of the book series, *Collected Artworks of Famous Chinese Painters*, showcases the excellence of Chinese culture and exhibits the achievements of various generations of contemporary Chinese painters. As a research reference, the series examines the work and perspectives of each artist according to different genres of painting to foster communication and understanding between artists and their audience.
