Yuan Shih-k'ai Going to Be an Emperor	222	
Postscript	234	

理循游历了中国各地,收集、拍摄了大量各地风俗民情和湖光山色的照片。本图册所收的只是其中一小部分,但都是内容比较有意思的或者照片品质较佳的。最为精彩的一张是北方某地的水利工程场景,让笔者忆起年轻时曾亲身参与劳动的水利工程,几乎与之一模一样。其实稍稍想一下便可以明白,无论是什么朝代,人类都必须以集体的力量来抗衡大自然的灾变。即或大禹治水的场景,想必与此相差无几。另一张照片也是大场面,显然是一个集市,大约也在北方某地,那种活力与人气,与治水的场面有异曲同工之妙。

## The Local Conditions and Customs in Old China

lecting and taking photographs showing local conditions, customs, and scenery. Though we selected only a small part of these photos in this volume, they are representative of the times and of high quality. One of the most interesting photographs shows the scene of the water conservancy project somewhere in North China that reminds me of a construction site of the irrigation works that I took part in when I was young. We know that human beings must be united to fight against natural disasters no matter what dynasty they are in. Another photo shows the grand spectacle of a market somewhere in North China.

清末的治水场面。

集市。

清末一次官方的周年纪念集会。 An official anniversary rally in Late Qing.

照片原注:"澜公爵在水磨口附近的亭台"。当为辅国公载澜(八国联军攻陷北京后被夺爵)。莫理循在1910年西北旅行时在新疆见过他,后他曾请莫帮忙回京。

Duke Lan's pavilion near Shui Mo-kou. One of the men is probably Duke Zai Lan whose rank was taken away after the Allied Forces entering Peking. Morrison met him in Sinkiang while travelling in Northwest China in 1910. Duke Lan later asked Morrison to help him move back to Peking.
