# 生活中的。"砖头"

Life whispers in your soul and speaks to your heart. Sometimes, when you have no time to listen it's your choice: Listen to the whispers of your soul or wait for the brick!

当生命想与你的心灵窃窃私语时,若你没有时间,你可以有两种选择:倾听你心灵的声音或让砖头来砸你!

## Life Is Do-it-yourself Project

### · Erma Bombeck ·

An elderly carpenter was ready to retire. He told his employer of his plans to leave the house—building business and live a more leisurely life with his wife, enjoying his extended family. He would miss the paycheck, but he needed to retire. They could get by.

The employer was sorry to see his good worker go and asked if he could build just one more house as a personal favor. The carpenter said yes, but in time it was easy to see that his heart was not in his work. He resorted to shoddy workmanship and used inferior materials. It was an unfortunate way to end his career.

When the carpenter finished his work and the employer came to inspect the house and handed the front-door key to the carpenter. "This is your house," he said, "my gift to you."

What a shock! What a shame! If he had only known he was building his own house, he would have done it all so differently. Now he had to live in the home he had built none too well.

So it is with us. We build our lives in a distracted way, reacting rather than acting, willing to put up less than the best. At important points we do not give the job our best effort. Then with a shock we look at the situation we have created and find

that we are now living in the house we have built. If we had realized, we would have done it differently.

Think of yourself as the carpenter. Think about your house. Each day you hammer a nail, place a board, or erect a wall. Build wisely. It is the only life you will ever build. Even if you live it for only one day more, that day deserves to be lived graciously and with dignity. The plaque on the wall says, "Life is a do-it-yourself project." Who could say it more clearly? Your life tomorrow will be the result of your attitudes and the choices you make today.

## 生活是一项为自己打造的工程

埃尔马·邦贝克

一位上了年纪的木匠做好了退休的准备。他告诉老板 他准备离开建筑行业,与老伴和儿孙们一起共享天伦之乐, 过一种更悠然自得的生活。虽然他因此而少了份薪水,但 他想退休了。至于日子嘛,还可以凑合着过。

眼看这位优秀的木工就要离去,老板很遗憾。他问木工可否帮忙再建一所房子。木工答应了,可明眼人一眼就看得出来,此时他做事心不在焉,做出的活儿技艺粗糙,用的料也没那么讲究了。他就这样为自己的建筑生涯画上了句号,真是令人遗憾。

房子建好后,老板过来看新房并交给木工一把前门钥 匙,说:"这房子归你了,我送给你的礼物。"

多么让人吃惊,多么让人羞愧啊!假如他知道这房子 是为自己造的,他会做得大不一样。现在他不得不住在自 己建造的那所粗制滥造的房子里了。

我们又何尝不是如此呢?我们心浮气躁地打造生活,不是主动工作而是被动应付,能省事就省事,关键的时候也没尽心尽力。蓦然回首,才瞠目结舌地发现自己正住在自己建造的那所房子中,自食其果。早知如此,何必当初!

就当你自己是那位木工吧。就当你在为自己建房,每 天要钉钉、铺板、砌墙。如果你能这么想,那么你就用心地 去建,而且你的生活也只能这样建造。哪怕你只在房子里 生活一天,这一天也应该活得优雅而尊严。墙上的铭匾写 道:"生活是一项为自己打造的工程。"还有什么比这更清楚的呢?明日的生活之果,孕育自你今天的态度和抉择之树上。

#### Life Throws a Brick at Your Head

· Ralph Mondy ·

A young and successful executive was traveling down a neighborhood street, going a bit too fast in his new Jaguar. He was watching for kids darting out from between parked cars and slowed down when he thought he saw something.

As his car passed, one child appeared, and a brick smashed into the Jag's side door. He slammed on the brakes and spun the Jag back to the spot from where the brick had been thrown.

He jumped out of the car, grabbed some kid and pushed him up against a parked car, shouting, "What was that all about and who are you? Just what the heck are you doing?" Building up a head of steam, he went on, "That's a new car and that brick you threw is going to cost a lot of money. Why did you do it?"

"Please, mister, please, I'm sorry. I didn't know what else to do!" pleaded the youngster.

"It's my brother," he said, "He rolled off the curb and fell out of his wheelchair and I can't lift him up. Sobbing, the boy asked the executive, "Would you please help me get him back into his wheelchair? He's hurt and he's too heavy for me."

Moved beyond words, the driver tried to swallow the rapidly swelling lump in his throat. He lifted the young man back into the wheelchair and took out his handkerchief and wiped the scrapes and cuts, checking to see that everything was going to be okay.

"Thank you, sir. And God bless you," the grateful child said to him. The man then watched the little boy push his brother to the sidewalk toward their home.

It was a long walk back to his Jaguar... a long, slow walk. He never did repair to the side door. He kept the dent to remind him not to go through life so fast that someone has to throw a brick at you to get your attention.

Life whispers in your soul and speaks to your heart. Sometimes, when you have no time to listen... it's your choice: Listen to the whispers of your soul or wait for the brick!

### 生活中的"砖头"

拉尔夫・穆迪

一位年轻的总裁,以稍快的车速,开着他的新 Jaguar 经 过住宅区的巷道。他必须小心游戏中的孩子突然跑到路中 央,所以当他觉得小孩子快跑出来时,就会减慢车速。

就在他的车经过一群小朋友的时候,一个小朋友丢了一块砖头打到了他的车门,他很生气地踩了刹车并后退到 砖头丢出来的地方。

他跳出车外,抓住了那个小孩,把他顶在车门上说:"你为什么这样做,你知道你刚刚做了什么吗?"接着又吼道: "你知不知道你要赔多少钱来修理这辆新车,你到底为什么要这样做?"

小孩子央求着说:"先生,对不起,我不知道我该怎么办?"

他接着说:"因为我哥哥从轮椅上掉下来,我没办法把他抬回去。"他啜泣着:"你可以帮我把他抬回去吗?他受伤了,而且他太重了我抱不动。"

这些话让这位年轻的总裁深受感动,他抱起男孩受伤的哥哥,帮他坐回到轮椅上,并拿出手帕擦拭他哥哥的伤口,以确定他哥哥没有什么大问题。

那个小男孩感激地说:"谢谢你,先生,上帝保佑你。"然 后他看着男孩推着他哥哥回去。

年轻总裁返回 Jaguar 的路变得很漫长,他也没有修他 汽车的车门。他保留着车上的凹痕就是为了提醒自己:生 活的道路不要走得太匆忙,否则就需要其他人的敲打来让自己注意生活的真谛。

当生命想与你的心灵窃窃私语时,你若没有时间,你可以有两种选择;倾听你心灵的声音或者让砖头来砸你!

### Love in All Kinds of "Weather"

· Ralph Mondy ·

Make sure your love is unconditional. Make sure you love people in all kinds of "weather". Or else what is the use if we love a person only when he is good or she is nice? When I need the people most that's when they leave me. All the time, so please, I hope you won't be like that. We always have to consider the other party, your companion's situation and mood. Maybe he's in difficulty right now. That's why his mood is not so sweet. Maybe she has so much work to do and so many headaches, so she cannot be so darling like usual. That time is the time when we need to show our most noble quality, the way we want ourselves to be.

It's not that if you are sweet to that person then he will love you more. Maybe he will, maybe he won't. But that is not the point to be good and to be noble. To be good, to be noble is for ourselves because we choose to be that way, we want to keep being that way, and we feel good about it. It's not because, "Okay, now he needs me more. If I show more sympathy, then our love will be stronger"; It's not even to be considered.

But most of the time we fail the test. When people are in most difficulty, we just leave them, or we are cold and indifferent. "Oh, you're not nice to me. All right, all right, You'll come and need me soon." Of course they will. When they're in
