Introduction

It's been simmering under the surface for some time now. Art, fashion and culture have been boiling away in the urban melting pot of Japan and kawaii culture is bubbling over.

But what is kawaii culture? Is it art or is it a way of life? Or is it a bit of both, fueled by expression and a desire to be different.

In the following pages the kawaii world will be exploded and explored from character design and fashion to food, designer toys and more.

"可爱文化"在日本城市大熔炉中历经积淀、发展,而最终得以壮大。

那么,什么是"可爱文化"呢? 是一门艺术还是一种生活方式抑或是表达与幻想的融合?

本书将针对"可爱世界"中卡通人物设计和时尚及食物和设计师玩偶等进行详细探讨。

Content 目录

Character 卡通人物/9

Food 食物/133

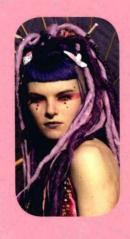

Glamour 魅惑/173

Noir 黑色魔力/261

Life 生活/357

SOYFRIENDLY

The kawaii character is the cutest and most expressive of all the kawaii creative outlets. With big heads, small eyes and simple but colourful forms, these little designs manage to cross the language barrier and have inspired artists all over the world.

These characters for the most part bring joy and positivity and seem to be wildly happy all the time.

It's this positive association that contributes to why characters are one of the most successful marketing devices ever created. Celebrities, products, clothing, signs and advertising are all tastefully adorned by these simple line-drawn characters and the trend shows no sign of slowing down.

可爱卡通玩偶是"可爱"创意折扣店中最乖巧最富表现力的产品。大大的脑袋,小小的眼睛,简约而又色彩丰富,其美好的形象摆脱了来自语言的障碍,激发了全世界艺术家的灵感。

它们总能够给人以快乐积极的感觉,欢乐是其永恒的主题。

正是这种积极向上的主题使它们成为市场上热销产品之一。这些线条简单的小东西,被明星、产品、服装、标志和广告广泛采用,经久不衰。
