## 往事與記憶 王公作品手稿

Past Event and Memory The manuscript of WangGong About Wang Gong

—Artist Wang Gong "Past event and memory" Understand his works

compose: Li Heng

A long time ago, see several paintings from hands of others. Have been only taken it away after seeing several, that man said , this is illustration. Roughly remember the paintings so far, an old big shoe, there were flowers and grass around, a little animal came in and went out in to break and leak shoes, I did not understand what composition it is, what visual angle it is, but paintings look naturally wholly, meticulous, conformity, nimble, with regards to this, have deep impression to the host of the paintings, he

Wang Gong, the familiar person call him Da Gong, many years, when the name of Wang Gong or Da Gong appeared, must pay more attention.

See work of Gong Wang at one magazine often, see, in think, what is there? What should draw?

Have drawn recognized, has not recognized him yet. Such understanding, often let people remember that know another painter going together with him, have a chat very absorbedly together in accidental chance, and then in some time, he is fat, but not recognized before going to near again, pass by and had not still recognized but passed each other many times several times. Sight over there, looked at me straightly, seem to be saying 'Why remain silent?' Though hadn't have such a chance with him, also pass each other many times. Than, other said, this is Wang Gong. EUM. He is not tall, and just like others, chant in a low voice the song. Next heard, he appeared at a dancing hall at the 25th ZiYou Street, seem is not enjoy himself to heart's content after one song, and continuing with his patener. Wang Gong in life is just like this, Self-assured...

Than, many years past, 10 years past, holding it together of us, than, we meet friends, drinking, watch DVD, sit at his office all together. I think, now, I

really know Wang Gong, know himself, and try to know all of his painting.

Wang Gong's picture has been appreciated by me all the time, has begun to assert from the initial feeling, his picture is worth realizing conscientiously. I thought, painting was the same as writing, there are not individuals that can all write, drew, however, that kind is written and drawn, can't reach that point. Such a requirement is not strict, any works, are only piled up by a great deal of lines or color, it was the life of the former state that let people accept, Alternatively, perhaps there is sturdy grounding in basic skills, in the speech, can not still sample the fresh one, let content that move artificially one of, craftsman people say so. Such a picture, if I think, I am getting many author oneself can feel boring too later.

Wang Gong's picture, often need you to see with another eyes. This plays with the old implements very like he at ordinary times. That is to remote time or retrospect of history, it is one that is summarized even more, it is joyful to experience while wanting you to be angry from what has been drawn, experience the suffering, and then experience that grows, experience that dies, experience for now from those overly simple description, experience

Primitive, and there is life alive among them, barbarous, and is revealing the expressing of emotion constantly. That is a kind of subjective creation that is extremely expanded, release from the artist's self-feeling, think oneself, all these, enable him to reach that point, its works quickly, must bring the exciting trembling on the sense organ. "Real painter have one's own pure soul, soul this store one of such a size ghosts and goblins world forever, the ordinary person can not understand this world." This passage of Wang Gong's, perhaps that said is this reason too.

It's a pity, there are actually few pictures of Wang Gong whom I saw, fail to see three years ago he participate in more than 400 works in the European tour of exchange activity in cultural year of China and French, fail to see him and listen to Mass for those pictures, those books, go to church, before fail to see this of his even later on a large number of works. But I think, pass by the fairy tale to become top layer bad smell fuzzy, precipitate, alternatively, more directly, but following, cut the feeling of the bone marrow.

Go to see Wang Gong's picture, his picture will tell you everything.

——關于藝術家王公的作品《往事與記憶》的解讀 撰文:李衛

很久以前,從他人手中看到幾幅畫作。畫匆匆在眼前晃過幾晃便拿走,他人說,這是插圖。畫作至今大致記得,一只巨大破落的皮鞋,有花有草在旁,有一只小動物出入于鞋的破漏處。我并不懂什么構圖、什么視角,但畫作整體看上去自然、細致、協調、活靈,爲此、對畫作的主人記憶深刻了,此畫家叫王公。

王公,熟悉的人叫他大公,多年裏,一旦有王公或大公的名字出現,必定倍加關注。

至公,然忘的人时他人公,多年表,一旦有工公政人公的右手出死,是定旧加强任息。 經常在一本有名的雜志上見到王公的作品,看過后却在想,還有什么?還應該畫什么?畫認得了,還没認得本人。這樣的認識,常讓人想起認識另一個與他同行的畫家,偶然的機會在一起聊得很投入,而后在一段時間,他胖了,再走到近前却没認得,幾經路過依然没認得。那邊的目光,直直地望着我,似在說:爲啥不說話?雖然與王公一直没有這樣的機會,却也多次擦身而過。而后人說,這是王公。嗯,看上去并不高大,與众生相同,旁若無人地低吟着什么曲子。再聽說的,自由大路25號那一周的舞會他出現過,一曲過后似未盡興,拉着舞伴繼續着那首曲子。

生活中的王公,就是這樣旁若無人吧?

然后,很久以前過去了,這是十幾年過后,我們的手握在一起,接下去,我們一起會朋友,一起喝酒,一起在朋友家看 DVD,一起到他的工作室小坐。應該說,此時我才真正認識王公,認識他人,并試圖認識他的所有畫作。

王公的畫作一直爲我所欣賞的,從最初的感受便開始認定,他的畫是值得認真體會的。我以爲,繪畫與寫作相同,人人都可以去寫、去畫,不過,那種寫與畫,達不到那個"點"上,就永遠算不得是好的畫或作品。這樣的要求并非嚴格,任何作品,僅是諸多綫條或色彩堆砌,讓人領受的是原樣的生活,或者,多少具有"扎實"的功底,言語中,依然品味不到新鮮的、讓人爲之一動的內容,人們所說的"匠氣"就是如此吧,這樣的畫作,我想,久之作者自己也會覺得無

王公的畫作,常常需要你用另一種眼光去看。這很像平時他把玩舊器物,那是對久遠的時間或歷史的回顧,更是一個概括,要你從畫作的氣氛中感受愉悦、感受苦難,進而感受到生、感受到死,從那些過于簡單的描述上感受現在、感受未來。原始,且有活的生命在其中,野蠻,且不斷流露着情感的抒發。那是種主觀極度擴張的創造,發自藝術家的自我感受、自我思考,這一切,讓他很快能够達到那個"點",其作品,必然帶來感觀上的激動人心的"震顫"。"真正的畫家有着自己純潔的心靈,這心靈內永遠儲存着一個偌大的鬼魅世界,常人對于這個世界是無法了解的。"王公的這段話,也許說的也是這個道理。

可惜,我見到的王公的畫作并不多,没能見到三年前他參加中法文化年交流活動的400余幅旅歐作品,没能見到他爲畫那些畫作而聽彌撒、做禮拜,没能見到他這之前以致后來的大量作品。可我覺得,過去那種流于表層的童話味模糊了、沉澱了,或者,更直接了,但隨之來的,是切入骨髓的感受。

還是去看王公的畫吧,他的畫作會告訴你一切。
