THE INCREDIBLE SPIDER-HULK 无敌蜘蛛浩克

After a battle, **THE AVENGERS** and **SPIDER-MAN** were having **dinner** in a restaurant.

TONY STARK challenged HULK to an arm-wrestling contest. "Too easy." Hulk slammed IRON MAN's arm down without looking up from his sandwich.

复仇者联盟和蜘蛛侠刚结束一场战斗,现在他们正一起在餐馆 里吃晚饭。

托尼·斯塔克向浩克挑战掰手腕。"轻而易举。" 浩克连头都没有抬,他看着自己的三明治,一下子就扳倒了钢铁侠的手臂。

After he finished eating, Hulk made his way outside. "Excuse me," a small girl said. "Can I have your autograph?" Hulk nodded. But when he grabbed the pencil, he accidentally crushed it.

吃完饭后,浩克走了出来。"打扰一下,"一个小女孩对他说,"你能给我签个名吗?"浩克点点头,可是当他抓住铅笔时,却不小心把它捏断了。

Hulk sighed. Sometimes he wished he wasn't so big. Sometimes he wished he was...different. **Just** then, Spider-Man jogged over and said, "Come on, Hulk. **FURY** needs us back at headquarters."

浩克叹了口气。有时候他希望自己的块头不是这么大。有时候他希望自己能……变得不同。就在这时,蜘蛛侠跑过来说:"来吧,浩克, 弗瑞要我们回总部。" "Heroes, this is our newest invention. It allows for two **SUPER HEROES** to swap abilities!" At **S.H.I.E.O.**, Fury announced. Hulk and Spider-Man were very interested in it, so they volunteered to **test** the machine.

"英雄们,这是我们的最新发明。它可以让两位**超级英雄**交换能力!"**神盾局**里,弗瑞宣布道。浩克和蜘蛛侠对它很感兴趣,所以他们俩毛遂自荐来测试这台机器。

Hulk and Spider-Man stood over a big **red** X on the floor. Fury activated the device, then it shot out a bright beam of **light**, covering both Hulk and Spider-Man.

浩克和蜘蛛侠站在地板上一个巨大的红色字母 X 上。弗瑞启动设备,然后它发射出一道亮光,罩住了他们俩。

test 测试

red 红色的

light 光线

Suddenly the machine **began** to overheat, causing a massive explosion. When the smoke cleared, a strange creature emerged.

It wasn't Spider-Man or Hulk. It looked like the combination of two heroes. It was *THE SPIDER-HULK*!

Staring at Iron Man's **armor**, Spider-Hulk studied his reflection in its gleaming surface. The **face** was familiar, and yet unfamiliar. Spider-Hulk was confused, then he became very angry. "Spider-Hulk smash!"

蜘蛛浩克盯着钢铁侠的盔甲,仔细研究自己倒映在那亮闪闪的盔甲表面上的影子。这张脸既熟悉,又陌生。蜘蛛浩克很困惑,随即他勃然大怒道:"蜘蛛浩克出击!"

"Calm down!" **CAPTAIN AMERICA** shouted. But before he could continue, Spider-Hulk turned and crashed through a glass window. Spider-Hulk was headed toward the city! The Avengers raced after him.

"冷静点!"**美国队长**喊道。但他还没来得及继续说话,蜘蛛浩克就转身撞破了一扇玻璃窗,朝着城市的方向荡去!复仇者们连忙追了上去。

"Come back!" Iron Man shouted.

But Spider-Hulk was so confused that
he didn't realize these pursuers were
his friends.

Spider-Hulk tried using his webbing

to swing away, but his web-line snapped. Spider-Hulk **fell**, smashing into the **pavement** below!

"回来!"钢铁侠大声喊道。可蜘蛛浩克内心非常困惑,以至于他根本没意识到后面追他的人是他的朋友们。

蜘蛛浩克试着用他的蛛网荡走,可蛛网却断了。他掉了下去,重重地摔在了下面的人行道上!
