It was a beautiful spring day. **THOR** and **SAM WILSON** were watching videos in **CENTRAL PARK**. "The Internet isn't just about cats," Sam said. But Thor continued watching the next kitten video.

一个美丽的春日,**索尔和山姆·威尔逊**—起在**中央公园**看视频。"网上不是只有猫咪视频的。"山姆说。但索尔还是继续观看下一个

Meanwhile, **BLACK WIDOW** was texting **HAWKEYE** on the **roof** of **AVENGERS TOWER**. "You ever been to the top of **THE STATUE OF LIBERTY**?" Hawkeye wrote back. "**Always** wanted to," Black Widow replied. "Never got the chance."

与此同时,**黑寡妇**正在**复仇者大厦**的楼顶给**鹰眼**发信息。"你去过**自由艾神像**的顶端吗?"鹰眼回信息问道。"一直都想去,"黑寡妇回答,"但没有机会。"

"It's a report about CAPTAM MARVA. I think she may be more powerful than your IRON MAN suits," Steve replied.

Just then, back on the ground in Central **Park**, Thor wasn't very happy. The kitten video wouldn't **load**.

就在这时,在中央公园的草地上,索尔很不高兴,因为猫咪视频不能加载了。

Up on the roof of Avengers Tower, Black Widow's latest message had never been delivered.

复仇者大厦的楼顶上,黑寡妇 刚写的信息也发送不出去了。

Back in Avengers Tower, Steve Rogers **shook** his datapad. "The Internet is down, Tony." "No way. Only if the Internet went down all over the **world**, would Avengers Tower lose connectivity," Tony said.

"Avengers, assemble!" **CAPTAIN AMERICA** commanded.

Almost instantly the Avengers gathered, in uniform and **ready** to **fight**.

"The Internet is down worldwide," Iron Man told the heroes.

"复仇者,集合!"美国队长命令道。大家穿上战衣迅速集合,准备战斗。

"地球上所有重要的系统都需要互联网。" 黑寡妇严肃地说。钢铁侠点点头说:"这意味着现有文明可能会终结。"

Captain America stepped **forward**, taking charge. "**HULK** and Black Widow, check in with the police. **FALCON**, maintain the **hospitals**. Thor and Hawkeye, keep an eye out for trouble. Iron Man, you are with me. Let's go!"

美国队长上前一步,安排道:"**浩克**和黑寡妇,你们去和警方联系。 **猎鹰**,你负责维护医院秩序。索尔和鹰眼,你们要密切关注动乱情况。 钢铁侠,你跟我一起。大家开始行动!"

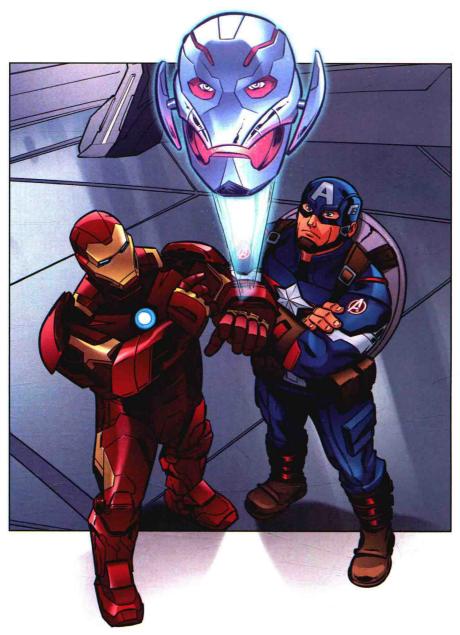

"JARVIS helped us find out the bad guy behind this is ULTRON," Iron Man told Cap. "We need to find a way to destroy him."

Captain America smiled. "I've got an idea."

"**贾维斯**帮我们找出了这件事的幕后黑手——**奥创**。"钢铁侠对美国队长说,"我们得想办法消灭他。"

美国队长笑笑说:"我有办法了。"

"We need Captain Marvel to help us. She is the head of ALPHA FLIGHT. She lives inside the Statue of Liberty's crown," Cap said. Then Iron Man and Cap headed toward their destination.
