学业寄语 Graduation message

already, 源自 all ready;

: already here,已然在此;

你,已成长为独一无二的你;

作品,成为你诠释思想的载体;

让人惊艳的,岂止是形式上的饕餮;

直击心灵的,更多是对于存在的感受……

以重生的视角去观察、去体味;

像个真正的设计师那样生活;

如同舞蹈家一样翩跹自如;

成为未来大众生活方式的缔造者!

祝所有毕业生在崭新的生活路途中健步如飞!

北京服装学院 服装艺术与工程学院院长 如三克

Already, originated from all ready,
: already here;
You, nurtured by BIFT, have grown into a unique entity;
Works, become the carrier of your ideas;
What's amazing about you is more than the dazzling forms;
Your perception about the world is resonating among minds...

In the graduation season, I send you my best wishes:
Starting here, BIFT,
to observe and experience the world with a fresh view;
to live like a true designer;
with a grace of a dancer;
to present familiar living spectacles with your unique insights;
to become the creator of the future public fashion!

I wish all the graduates in life on the road walk as if on wings of new!

关于"已然在此"About "already here"

"already here 已然在此":在、在这儿,是一种存在。如何有意义活着、如何透过个人的观点设计大众的生活方式?恰如"此在"所暗示的一种选择性的、系统的在。如何将创想放置于整个社会系统中去加以考量,使其产生有个性的并且有意义的回响,这是设计师不断的自我追问。在创作过程中,通过服装语言所创造的人造物,恰恰是定义设计师自己最直观的表达。

今天,我们已然在此。透过你的作品,我们看到的是你如何成为你。

北京服装学院 服装艺术与工程学院副院长 Mills

"Already here": Being, here, is a kind of existence. What is a meaningful life? How to design public lifestyles through personal ideas? "Being here" implies an existence, resulting from a systemic procedure that consists of selecting and excluding. One question that a designer should continuously ask himself / herself is how to consider the innovation based on the whole society, and in which way it could produce personal and meaningful reflection. The artificiality, created by clothing language, properly and intuitively expresses the definition of a designer.

Today, we are already here. We will see how you can be yourself by your work.
