运动会

The most exciting event this week was Wednesday's sports meeting. It was a Track and Field meet. I took part in two events, the coo-meter race and the long jump. When I stood on the track, I took a look at other runners. They were full of confidence and vigor.

On your mark! Get set! Go! As soon as I heard the signal from the referente, I began to run. Come on, Liu Ming! Come on! The students stood by the track cheering me on. I grew very excited. At last, I was the first to reach the finishing line. I felt very happy. Words could not describe my feelings.
