《中学生新新英语阅读》

《中学生新新英语作文》

编写理念

1. 我们以学习英语的切身经验体味到：阅读和写作是英语水平提高到一定档次的最关键的两方面。提高阅读能力需要大量地阅读原版、地道的集知识性、趣味性为一体的英文文章，同时配合理解练习；提高写作能力，第一要看优秀作文，第二要写好文章看老师的评改意见，第三要模仿外国学生的优秀文笔，然后才能冲刺中考、高考的写作难关。

以上为编写这两套书的理念之一，实用理念。

2. 我们一直坚信许多中学生是深深热爱英语这门语言的学习的，就像文学青年热爱文学一样。因为在语言的最高境界，有一种共通的审美。学习英语能为我所用，领略英语的美和意境是我们最大的愿望。当你陶醉于英语语言字里行间特别的行文秘密时，你会感受到语感层层渗入异国文化的畅快自如，就像一个轻盈的语言天才，往来无障碍。——我们有此追求，亦得出此书出炉的又一理念，精神理念。

3. 追求的境界是美好的，但反复学习与训练的过程却是艰辛的。为了使看书学习成为相对令人愉悦的事情，我们把这两套书做成美观的双色，无论从版式格局排列上都达到悦目和易读的效果。这也是出版人共同认可的趋势，我们一直在为之努力。

这是理念之二，即审美理念。

以上三个理念成为我们精心组织编写这两套书的理性支柱，我们在此麾下做出的这 16 本书希望你们喜欢。

编写说明

在这本书即将出版之际,我们感谢全国各地踊跃投稿的少年作者们。这些作文题材广泛,内容丰富,颇有趣味性,可读性。因为这些作文是直接由中学生原创,所以读起来让人感到亲切自然。这些作文反映了中学生的生活学习,也反映了社会生活的许多方面。这些作文将我们带进一个五彩缤纷的世界,让我们了解中学生的所思所想,所见所闻,也让我们感受时代的气息。我们相信这本书的出版有助于提高广大中学生的英语水平。

这本书的特点是精批评注。既对原文的内容和写作方法给予评价,又对其中的语法词汇及表达方法等方面的错误加以改正和注释力求简明、易懂、精确,使读者知其然,也知其所以然。评注后附上点评老师的改正文。改正文尽可能保持原文的思想内容和写作风格,改正一切错误和不规范的表达方式,必要时根据英文写作规则加以重新组织,删改。原文中的彩色部分是表达不够清楚或语法有误的地方。(请读者在阅读的时候加以注意)。阅读时对照原文和改正文有助于我们在比较中鉴别、提高。这是学生由此岸到达彼岸的桥梁。

由于编写本书的时间仓促,编者水平有限,书中难免有所疏漏,请广大读者提出宝贵意见。

Today I had a wonderful time with those foreigners. They were showed around our city by me because I thought this was a good chance for me to practice my English.

We left at 8: 10 at Friendship Hotel. Then we took a bus along the street, crossing a traffic light on the right then we got to Zhongshan Park. The visitors went to the Flower Show where we saw many fresh flowers, which I could name only a few. What beautiful flowers! They took many photoes there.

At about 10: 30, we arrived at the museum. By visiting the museum, the visitors knew more about the history of our city. So I was proud of my hometown. Having visited the museum, we reached Jingshan Temple where we watched the scenery of the sea. Then most of us felt hungry, so at about

How delicious the food was!

A Letter to the Editor

姚 晨

Dear uncle and aunt

I like Children's Literature very much. In 1998 my father bought a Children's Literature for me, At that time I was studying in Grade Four. My reading level is very low. I hard to read Children's Literature, I felt it was a very good magazine. After that I bought it every month. *In this magazine*, I like English Composition best. Because I like to learn English. In Sept. 1999, I translated a composition How to Learn English Well, but it was like a stone sunk into the sea. I didn't have any news from then on. I translated an English composition every month, I put the letter in the letter-box. When I have a Children's Literature, it didn't have my translation in it. I write an English composition today, *I hope I can see in Children's Literature*.

Your loyal reader

评注

这是一封书信。它从一个侧面反映一个有志者契而不舍的精神。文字的工夫虽然不够,精神却能感人。英文书信的格式与汉语不同。右上角常写写信的日期。不管收信人是谁,在人名前一般要加 Dear。结尾时,常用: Sincerely yours.

A Letter to the Editor

June, 1, 2000

Dear editor,

I like reading the magazine, Children's Literature, very much. My father bought me a Children's Literature in 1998. At that time I was still a pupil of Grade Four in a primary school. It was not easy for me to read the whole book, but read each issue I knew it was a good magazine, and I've since then. *Of all the columns (栏目) in the Children's Literature, I like the English Composition Column best.* Because I like English very much. In September, 1999, I translated an English composition named "How To Learn English Well" into Chinese. *But like a stone dropped into the sea, it seemed to have disappeared forever.* I translated another English composi-

tion into Chinese and I was brave enough to mail it to the editors. Every time I opened a new issue of Children's Literature, I could only read others' Chinese translation. Today I write an English composition myself. I hope I could read it in Children's Literature column some day.

With my best wishes

sincerely,

Fary

A Letter From tphe America

郭蔚苇

Miss Tang Mongna is my classmate in primary school. *She's short and with big eyes.* she likes to talk. After primary schools, we all were very busy in our study, we seldom communicate each other after primary school.

One day, Miss Tang Mongna *suddenly* called me to tell me that *she were going to go to* the U. S. A. to join her father. I felt surprised, but didn't pay much attention to it.

After a month, I was surprised to receive a thick letter from U. S. A. I opened the envelop to find some photos and a letter. I found Tang Mongna's name in the letter. This time I knew that she had really *gone to* the U. S. A. . Suddenly I admired her very much.

In the letter she said: "I came to the U. S. A a *moth* ago, I have found many fresh and interesting things here. I cannot fully express what I have seen here with words in this letter. Now I only tell you something about our middle school and our study here. When we go to school, we do not have to carry many books as we did in China, *we only*

carry a few pencils and notebooks. Our classroom has air condition, we seldom have homework, and the homework is very easy. We have different classes in different classrooms with different students. So, I can have opportunity to make many good friend. I remember October 15 is your birthday. *You will receive a birthday gift from me soon, I hope it can give you a good wish and a surprised as well!* I don't tell you now what it is. Don't forget to answer my letter and send me some photos! I can feel that we are going to meet in the America someday……”

I quickly answered the letter, but in Chinese, because my English is not good.

In my birthday, I received Miss Tang Mongna's call form U. S. A. She first asked me if I had received her gift in time, and then wish me a happy birthday! Later she told me to write to her in English next time. I will study hard, especially *at English, for this distant friendship*, and for the opportunity *to meet her* in the U. S. A!

【评注】

这是一篇写人与叙事结合的作文。即描写了朋友的外貌和性格特征,又叙述了作者听说朋友要去美国的反应。朋友的来信不仅使作者了解到美国的学校生活,还激励她更加努力地学习英语。

◆中英文的表达方法有很大差别。英文的一个句子中只能有一个动词。必须表达几个动作时,要用逗号和 and 或 but 等构成并列句或者用从句、分词或介词短语等表达。
