## 前 言

乌鲁木齐市市长玉素甫·艾沙

乌鲁木齐，原系蒙古语，意为“优美的牧场”。乌鲁木齐，“山环水绕、土膏沃衍”，曾是“丝绸之路”新北道上的重镇。历史上被描绘为“耕凿弦涌之乡，歌舞游冶之地”。新中国成立 43 年，特别是党的十一届三中全会以来，乌鲁木齐各族人民坚持党的基本路线，用勤劳的双手和聪颖的智慧，创造了前所未有的辉煌业绩，各项建设突飞猛进，已建设成为以石油加工、冶金、电力、化工、纺织、机械、钢铁、建材、电子、煤炭、造纸、皮革、食品为主体的工业体系。农牧业已连续 14 年获得丰收。蔬菜瓜果、牛奶蛋禽、肉食水产三大副食品基地已具相当规模。科技、教育、卫生、文化、体育等各项社会事业都有了很大发展。经济实力明显增强。1992 年，全市国民生产总值（按 1990 年不变价，下同）71.8 亿元，国民收入 48 亿元，工农业总产值 84.74 亿元。据国家统计局、国家体改委等部门评估，1992 年度乌鲁木齐市的综合实力位居全国城市第 24 名，跨入了中国城市综合实力五十强的行列。

改革开放以来，乌鲁木齐市认真贯彻“东引西出、挂靠名牌、发挥优势、南北展开”和“全方位开放、向西倾斜”的方针，有力地推动了经济的发展。先后与国内 30 多个省市 130 多个地区开展了广泛的经济技术联合。与日、美、独联体、巴基斯坦、港、澳等几十个国家和地区建立了合作关系和经济联系。1992 年协议引进外资 9754 万美元，完成外贸出口 27 768 万元人民币。成功地参与举办了“’92 乌鲁木齐边境地方经济贸易洽谈会”和“’92 全国星火成果暨

专利技术乌鲁木齐展交洽谈会”，取得了成交 8.09 亿元的丰硕成果。作为振兴乌鲁木齐经济和推动改革开放的重大举措，乌鲁木齐经济技术开发区和乌鲁木齐高新技术产业开发区的建设已顺利起步。

乌鲁木齐具有独特的地缘优势。第二座亚欧大陆桥的贯通，使乌鲁木齐成为我国对外开放的西部“桥头堡”。自治区党委为了加快新疆经济建设和改革开放的步子，制定了“优势资源转换”战略，决定大规模开发石油和地面资源，这必将给乌鲁木齐的改革开放和经济建设带来良好的机遇和广阔的前景。邓小平同志南巡谈话发表以后，为了加强乌鲁木齐市的改革力度，推动乌鲁木齐市的经济建设迅速向前发展，国务院于 1992 年 6 月批准“进一步开放乌鲁木齐，实行沿海开放城市的各项政策”，并授予乌鲁木齐出国人员审批权。国家经贸部批准赋予乌鲁木齐外贸公司对独联体各国和东欧国家易货贸易经营权。自治区党委和人民政府也正式宣布，在经济方面赋予乌鲁木齐市相当于自治区（省）级的 9 项管理权限。即：利用外资项目审批权、固定资产投资项目审批权、土地使用审批权、内联企业减免税权、工商行政和物价管理权、劳动行政管理权、旅游管理权和自治区有权下放的外事管理权等。乌鲁木齐正向国内外、海内外敞开大门，热忱欢迎各方客商和各界朋友前来洽谈贸易、投资办厂，并竭诚提供良好的环境和优质的服务。

党的十四大、八届全国人大一次会议和全国政协八届一次会议的胜利召开，必将进一步推动我国改革开放和现代化建设事业的迅速发展。《对外开放的乌鲁木齐》一书，系统地介绍了乌鲁木齐各方面的基本情况。编写出版这本书，就是期望国内外、海内外的广大读者和各方客商更好地了解乌鲁木齐，认识乌鲁木齐，抓住当前大好机遇，共同为开发建设美丽的乌鲁木齐而谱写新的历史篇章。

1993 年 2 月于乌鲁木齐市

## Perface

Yusupu Esa, the Mayor of Urumqi City

The word of Urumqi, originally came from mongolian language, means 'beautiful pastureland'. Surrounded by mountains and rivers, Urumqi was once an important town in the new north line of 'Silk Road'. Historically, this city was described as a site of comprehensive farming system, interesting music, graceful dance and beautiful scene.

Over the past 43 years after new China was founded, especially after the Third Plenary Session of the 11th Central Committee of the Communist Party of China, people of all nationalities in Urumqi implement the Party's foundemental line and have created tremendous achievements through their hard-- works and intelligence wisdom. Construction have been developing rapidly. Industrial system including oil refinery, metallurgy, electric power, chemical, textile, machinery, steel, building material, electronic, coal, paper making, leatherware and food industry has been constructed. Agricultural and animal husbandry have had continuous increasement for 14 years. Basements of three major non-staple foodstuff, fruit and vegatable; milk, eggs and poultry; meat and aquatic products; have been established on comparatively large scale. Urumqi also has developed rapidly in science technology, education, culture, hygiene and sports.

Economic power of Urumqi has increased significantly. In 1992, its gross national product was 7.18 billion yuan, national income 4.8 billion yuan, total industrial and agricultural output value 7.474 billion yuan. According to the assessment made by the State Statistical Bureau and the State Structure Reform Commission, overall strength of Urumqi ranked the 24th among nationwide cities in 1992 period, stepping into 50 overall powerful cities of China.

Since the reform and opening, Urumqi has carried the Policies of 'Introducing from east and exporting to west, depending on famous brands, bringing our own advantages into Play, Promoting economic development in north and south, and opening to all directions with favour in west', these steps effectively promote economic development.

We have had extensive economic and technological cooperation with over 30 provinces and over 130 prefectures. Moreover, cooperation and economic relation with Japan, the U.S., CIS state, Pakistan, Hongkong and Macao regions have been developed. In 1992, Urumqi attracted foreign capital of 97.54 million dollars and exported to a total of 277.68 million yuan(RMB).

We have successfully held "'92 Urumqi Frontier and Local Economic Trade Fair' and", '92 Urumqi Exhibition Fair for National Spark Achievement & Patent Technology." A remarkable results could be reflected from the total trading value of 809 million yuan. As an important step for Promoting reform and economic development, Urumqi has started the construction of economic and technological development Zone and new & high technological development Zone.

---

Urumqi enjoys a unique geographical superiority. It turns into the western 'bridge head' for our country's external opening because of the jointing up of the second continental bridge across Eurasia. To speed up economic development and opening, the regional Party's Committee formulates strategy of transforming resource superiority to economic development, launching massive development projects involving oil resources and ground resources. This strategy will create good opportunities and splendid future for economic development and opening of Urumqi.

After the publication of senior Chinese leader Deng Xiaoping's South China inspection speech, in order to strengthen the reform and promote economic development of Urumqi city, in June of 1992, the State Council ratified Policy of further opening up Urumqi and carrying out the same policies as coastal open cities. Furthermore, Urumqi was authorized to examine and approve people to go abroad. The Ministry of State Economy and Trade authorized Urumqi External Trade Corporation to proceed commodities exchanging with CIS states and eastern European Countries.

The regional Party's Committee and the People's Government declare that, in economic aspect, Urumqi city enjoys provincial - level decision of making authority in the following nine items: Examination and approval authority on oversea investment projects, fixed capital investing projects and land utilization, authority on tax reduction to inner - cooperative enterprises, authority on industry and commerce administration, price administration, labour administration, tourist administration, and those foreign affairs administrative authority which the Autonomous

Region is empowered to transfer to low-level.

Urumqi is opening its door to outside world. We warmly welcome worldwide friends and businessmen to trade and invest in Urumqi, and we will wholeheartedly create a favourable environment for economic cooperation and provide superior service.

The 14 National Congress of the CPC, the first session of the 8th National People's Congress and the first session of the 8th Political Consultative Congress have been held successfully, this will further promote opening up to outside and development of modernization.

The book entitled Urumqi Opens Its Door to Outside World systematically introduces every aspect of Urumqi. The aim we publish this book is to expect both domestic and oversea readers will know Urumqi better and set up economic and trade relations with Urumqi as soon as possible.

In Urumqi city, January, 1993
