傩面具

傩起源于原始宗教。在远古时期,生产力低下,人们对大自然的威胁没有抗御能力,一遇天灾人祸,只能用傩祭,这一种原始宗教祭祀的巫术活动来祈告神灵,驱邪逐魔,弭灾纳祥。

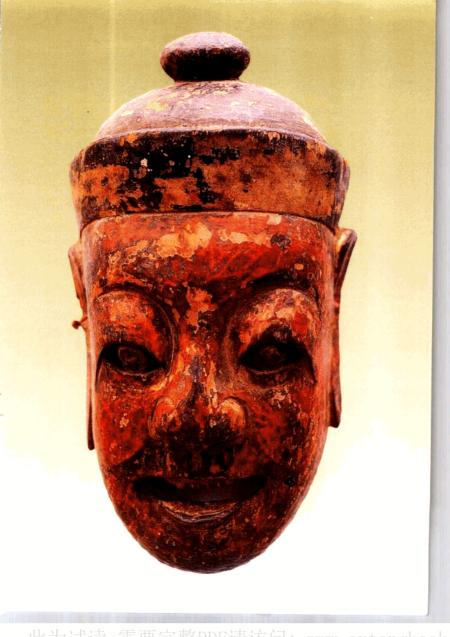

傩面具的艺术风格,虽浑厚、粗犷,但工匠制作时不乏精雕细刻、讲究色彩,拙朴的民间造型手法赋予了面具以生命活力,形象的刻划出了民间神话中的神灵、鬼怪及传说中各类人物的喜、怒、哀、乐,表情丰富,性格鲜明、令人叹为观止,是中华民间文化艺术的瑰宝。

Nuo Mask

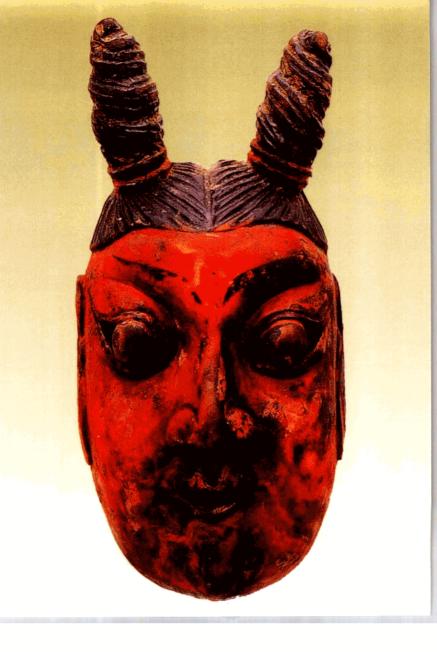

Nuo originated from the primitive religion. During the period of remote antiquity, the productive force was very low, people have no resistant power to the menace of nature, once appeared the natural and man-made calamities, they could only use such kind of primitive religious ceremony – Nuo to offer sacrifices to gods or ancestors praying for celestial being, driving away pestilence, annihilating disaster and wishing luckiness.

Though the artistic style of Nuo mask is simple, honest and rough, but possesses fine and delicate carving in the craftsmanship fabrication. The folk moulding skill emphasizing on color and simple style endows mask with vitality, vividly depicts the celestial being and ghost in the folk legendary and the love, anger, sadness and happiness of various personages in the hearsay.

The expression of Nuo mask is abundant, the character is brilliant, let people acclaim as the acme of perfection. It is a treasure of Chinese folk culture and arts.
