An Electron Pet

曹 正

Have you ever fed an electron pet? If not, I shall teach you how to feed an electron pet. There are many kinds of pets for you to choose, such as cats, dogs, birds, whales, elephants, and so on. But do remember, they are not real animals, they are just electronic toys. In the beginning your pet may be an egg or very small. So you'd better feed the pet with foods and water. Of course the foods and water are not real. After meal, you will have to take a walk with your pet and play games with them. At night, do not forget to turn off the lights, otherwise, it will cry for a long time. Doing this needs great patience, but it is really very interesting, isn't it?

电子宠物

你养过电子宠物吗？要是没有，就让我来教你如何喂养电子宠物吧。电子宠物的种类很多可以任你选择，熊猫、狗、鸟、鲸、大象等等。但记住它们不是真正的动物，它们只是玩具。开始时，

你的宠物可能是个蛋或者还很小。你要精心喂养，给它喂水、喂饭。当然水和饭都不是真的。吃完饭，你还要带它散步，与它一起做游戏。晚上别忘了关灯，否则它要哭一夜。做这些需要很大的耐心，但它真的很有趣不是吗？

名师精评

The World Park

杨 媛

The World Park which is far away from the centre of Beijing was

completed in 1994.

It almost contains all the places of interest in the world, such as the Great Wall, the Suzhou Park, the Pyramid, the white House, the Westminster Abbey and so on. There, you can visit many countries such as China, America, England, France, Russia, Egypt in just one day. In the World Park, the things are smaller than they really are. For example, you can hold up the White House with your hand. It seems that the world becomes a small park.

In fact, the Suzhou Park is the most interesting place for all the visitors. You can go through the gallery and sit on the stone. When you stand on a bridge, you'll watch the river running below your feet. You just feel as if you were staying in the real Suzhou Park. How wonderful!

Every year, thousands of visitors go to the World Park. It has become more and more popular.

世界公园

远离北京市中心的世界公园建于1994年。

它几乎囊括了世界上所有的名胜古迹。比如像长城、苏州园林、金字塔、白宫、西敏寺等。在那儿，您可以在一天之内就参观到中国、美国、英国、法国、俄罗斯以及欧洲的许多国家。世界公园的景物都是微缩景观。您可以用手托起白宫，就好像世界变成了小公园一样。

实际上，游人们对苏州园林最感兴趣。您可以或兴步穿过画廊，或坐在石头上，或站在桥上，或观望脚下小河流水。这时您就真正有置身苏州园林的感觉，简直太美妙了！

小学生英语作文

每年都有成千上万的游客到此参观,世界公园越来越受人们的青睐了。

名师精评

文章以简洁的笔触为我们介绍了“世界公园”,颇像解说词却又不乏生动之笔调。运用例举的手法,尤其详述了游苏州园林的感受,使读者身临其境。

Planting Cabbages

张弛

Zhang Fu's uncle lives in a village. He grows lots of vegetables. Last Sunday, Zhang Fu went to see him. His uncle was sowing cabbages. Zhang Fu wanted to know something about sowing vegetables. He watched his uncle carefully.

His uncle put some earth in a box, sowed the cabbage seeds, and then covered it with more earth. He kept the box in the shade so that the sun couldn't burn the little plants when they came out of the earth. His uncle told Zhang Fu that the plants had to be watered well to stop the earth from getting too dry.

A few weeks later, Zhang Fu went to his uncle's again. He found the little plants were planted in the field instead of in the box. The cabbages grew big and strong.
