III. General Rules and Regulations

1. Rules

The equestrian competition will be conducted in accordance with the Regulations for Equestrian events of the International Equestrian Federation (FEI) and the FEI Rules for the three-day event, jumping and dressage competitions. In case of disagreement in the interpretation of the Rules, the English text shall prevail. Any unforeseen incidents not covered by the Rules will be dealt with as follows:

1.1. Cases of a general nature will be resolved in accordance with the Constitution and Rules of the Olympic Council of Asia (OCA).

1.2. Technical questions will be resolved according to the General and Technical Regulations of the FEI.

1.3. Only athletes who comply with the OCA Constitution and Rules, and the FEI Regulations and Eligibility Code are entitled to take part in the equestrian events.

2. Qualification and Certificates of Capability

2.1. Competitors

Competitors may participate in the three-day event and jumping competitions from the year in which they reach their 18th birthday. In dressage, they may compete from the year in which they reach their 16th birthday.

2.2. Horses

Horses of any origin and minimum 6 years of age (the age being counted from January 1st of the year of birth) are eligible to compete. They must be the registered property of the individuals or the organizations of the country which has entered them.

2.3. Certificates of Capability

National Federations must send certificates of capability of their competitors and horses along with the entry forms.

3. Participation

3.1. Team Events

3.1.1. Three-Day Event

Each country may enter five competitors and eight horses. Four competitors and four horses may actually start the competition for each country. The three best scores for each team will be taken into consideration to decide the team placings.

3.1.2. Dressage

Each country may enter four competitors and six horses. Three competitors and three horses may actually start.

3.1.3. Team Jumping Competition

Each country may enter five competitors and eight horses. A maximum of four competitors and four horses or a minimum of three competitors and three horses may start for each country in the team jumping competition.

3.2. Individual Events

3.2.1. Individual Jumping Competition

Three competitors and three horses may start for each country in the individual jumping competition.

3.2.2 Individuals instead of Team

In the three-day event and dressage competitions, a country which does not send a complete team may enter one or two individual competitors, each with a maximum of two horses.
