Introduction

WELCOME TO THE PRINCETON REVIEW

Congratulations on choosing The Princeton Review for your LSAT preparation. The LSAT doesn't test what you know about any particular subject or discipline—it tests your critical reading and thinking skills. In this course, you'll sharpen these skills and learn to apply them to the patterns tested on the LSAT. We'll start with the fundamentals and build to advanced topics. By test day, you'll have mastered strategies for every aspect of the exam. Ready to start improving your score?
