OMEGA CHI EPSILON

Omega Chi Epsilon promotes high scholarship, encourages original investigation in all areas of chemical engineering, and recognizes the valuable traits of character, integrity and leadership. The Society renders service to the chemical engineering department and its students and fosters meaningful faculty-student dialogue within forty two chapters.

CHEMICAL ENGINEERING FACULTIES: 1983-84

The information contained in this Directory is tabulated as follows:

Department:

1. Name and address of school, including zip code.
2. Area code, and both university and department telephone numbers. Individual faculty phone numbers given when possible.
3. Name of department, if other than Chemical Engineering.
4. Accreditation status. (May not be relevant for non-U.S. Departments. Departments accredited by AIChE are also accredited by ABET.)
5. Graduate Admissions Officer within the Department, if any.
6. A.I.Ch.E. Student Chapter, if existing, and Advisor.
7. Time required to complete undergraduate work.
8. Special plans available, such as cooperative and evening classes.
9. Highest degree granted.
10. Tabulation of degrees granted, 1982-83, by level.

Departmental Faculty:

Information arranged as given by the particular department.

1. Listed according to academic rank:

(1) Professor	(4) Instructor
(2) Associate Professor	(5) Other
(3) Assistant Professor	

Academic rank varies from country to country; therefore, use a footnote to indicate what is considered the U.S. equivalent title.

2. Other academic and university titles are noted.
3. Unfilled positions designated by a series of dashes (----).
4. The index of the department faculty appears at the end of the Directory.

Department Reports to:

1. Name and title of administration officer to whom the department reports.

Placement Service:

1. Name and address of placement (or career assistance) service supervisor.
