前言

近几年来，我会与世界各国、各地区政府机构、商贸协会的工作联系越来越多，每年组织或参与的各种商务推介活动也日益频繁。根据境外商务机构和采购商反映，由于我国外贸进出口经营权进一步放开，上海口岸外贸队伍发生很大变化，一般对上海口岸外贸公司，特别是外贸新企业了解很少，给其寻找合适的贸易伙伴带来一定困难，希望能有一本最新、最具权威和实用性强的介绍上海口岸外贸企业有关信息的工具书。为此，我会决定编辑出版《上海口岸外贸货主指南》，作为供、需双方沟通信息的桥梁：一方面为上海外贸企业提供展示其形象的“平台”，另一方面为国（内）外采购商提供了解上海口岸主要货主的“窗口”，既给需方提供方便，又为供方增加商机。

《上海口岸外贸货主指南》针对国际采购商和货运代理经营的需求，用中、英文刊登上海口岸主要货主名录，分别提供企业基本信息，如企业名称、地址、电话、邮编、传真等；或对企业作简要介绍，如企业规模、经营范围、产品特点、经营业绩、诚信情况和资质证明等，另外再安排一定篇幅，重点推荐了若干优秀货主和品牌企业，并力求做到：

信息新——提供最新货主资讯；

实用性强——针对读者需要，使其“拿来可用，用了有效”；

信息量大——提供4000家以上货主信息；

最具权威性——对资讯严格审核，做到准确度高，可信度高；

兼备商品采购指南和优秀品牌宣传双重功能。

二〇〇七年六月

Preface

In recent years, Shanghai Association of Foreign Economic and Trade Enterprises has had more and more contacts with government departments and commercial and trade associations of various countries and regions in the world. The business promotion activities of all kinds it organizes or participates in each year have become increasingly frequent. Overseas commercial organs and purchasing agents have often informed us that, as our country has further decentralized the right to engage in foreign trade and great changes have taken place in the contingent of foreign trade enterprises in Shanghai Port, they generally know little about foreign trade companies, especially new foreign trade enterprises, in Shanghai Port, which have caused certain difficulties for them to seek right trade partners. Therefore they hope to have an up-to-date, most authoritative and practical reference book providing relevant information about foreign trade enterprises in Shanghai Port. To this end, our association has decided to compile and publish this *Guide to Foreign Trade Enterprises in Shanghai Port* as a bridge of information communication between suppliers and purchasers. On the one hand, it will provide a "platform" for Shanghai foreign trade enterprises to show their image and, on the other hand, it will provide a "window" for foreign (domestic) purchasing agents to know main foreign trade enterprises in Shanghai Port. It will not only provide convenience

Preface

to the purchasers, but also increase business opportunities for the suppliers.

Targeting on the operational needs of international purchasing agents and shipping agents, this *Guide to Foreign Trade Enterprises in Shanghai Port* publishes the directory of main foreign trade enterprises in Shanghai Port both in Chinese and English, including their basic information such as enterprise name, address, telephone, post code and fax or makes a brief introduction about enterprises, including their scale, scope of business, features of products, operation performance, credit record and qualification certificate. It also arranges some space to focus on and recommend several excellent and name-brand enterprises and strives to achieve the following features:

New information —— providing the latest information about enterprises;

Great practicality —— targeting on the needs of the readers who will find it easy to use and use it with good results;

A large volume of information —— providing information of more than 4,000 enterprises;

Authoritativeness —— through strict examination and verification of information, it has achieved great accuracy and strong credibility, enabling it to have a dual function of being a guide to commodity purchase and promoting excellent name brands.

SYXCO was founded in 1984, which is invested by Shanghai Institute of Machine Building Technology (SIMBT).

SIMBT is one of the eldest institutes specialized in casting, forging, heat treatment and other hot-workings in China.

As one ISO9001 approved enterprise, SYXCO's major business is manufacture and foreign trading of mechanical parts, such as all kinds of castings, forgings and machining parts in fields of railway, automobile, steel mills and other industrial fittings.

There are over ten senior engineers and experts offering technical support and service such as design improvement, QC confirmation and even some related government R&D projects.

We also invested our own investment casting foundry beside one joint-ventured foundry supplying semi-lost wax castings.

We have one large supplier network in East China covering almost all kinds of mechanical products to support our domestic and overseas business.

Shanghai Baoshan Zhenzong Biochemistry Engineering Factory. Located in Baoshan High and New Tech Industrialization Development Zone of Shanghai, the most developed city in P.R. of China. Covers an area of 10,000 square metres. Provided with specialized technicians. Qualified biochemistry pharmacy workers. Advanced production equipment and precise analytical instruments. We're mainly engaged in the manufacture of sulfa-drugs and the Research & Development of other biochemistry pharmacy items. In particular, our Sulphamethoxypyrazine (SMPZ) has won the Gold prize of Excellent Achievements in International Chemical Industry Technology Harvest Forum & Products Promotion Seminar. Accordingly, it has been listed in the initial items of Shanghai Science and Technology industrialization Plan of 2000 as one item of the Spark plan, which is an important plan for the promotion of science and technology ratified by Chinese government. We have established good collaborative relationship with Shanghai Organic Research Institute of Chinese Academy of Science and other scientific research organizations. It has enhanced our abilities of scientific research and the development of new raw material pharmaceuticals and intermediates. Up to now, we are still the only manufacturer of SMP, SMP Na and SMPZ in the world.

We have built a fully new GMP factory in Jinshan branch, Shanghai chemical area. There have got all kind of advanced equipment and products which Confirm the BP, USP, EP.

May Faith International Enterprise Limited is registered company by Shanghai Baoshan Zhenzong Biochemistry Engineering Factory in Hongkong. She is specialized in Import & Export business of our products and other relative pharmaceutical companies.
