词数	阅读时间

Holiday

Mr Turner worked in a hospital. He was often busy and wanted to have a good rest. One summer it was very hot in the city and the Turners went to a mountain village. They were excited every day and enjoyed themselves very much. They swam in the river, picked flowers in the mountain in the daytime, and had a good sleep in the village at night.

One day a farmer in the village was ill. Mr Turner looked him over and went to the nearest town to buy some medicine. But on his way back to the village, something was wrong with his car and he had to stop to mend it. When he was ready to start again, the sun went down and it was getting dark. Soon he lost his way. He couldn't find anybody there. He had to stop by the road and wait. About an hour later he saw an old man coming towards him. He asked,

"Excuse me, sir. Where am I now?"

The old man had a look at him but said nothing and walked on. Mr Turner didn't think the old man heard him, so he asked again, "Where am I?"

"In your car, sir! "

The two children enjoyed themselves at the cinema. After the film it was late, and they were still talking excitedly about the film on their way home. Soon they got home.
