-Frank Gehry

活动中心食堂

英国，伦敦

335平方米

SHH建筑及设计事务所

该中心专为Acland Burghley中学设计，是一个带有IT设施的充满动感与活力的室内外相结合的食堂。由于项目对象是学生本身，因此设计团队让12个14~16岁的学生组成的小组与其紧密合作。

最终的方案通过颜色和形状分别为不同类型的用餐划分区域：零食区、沙拉区和传统饮

食区，这解决了排队的问题。此外，当设计师注意到现有的IT设施是如何拥挤之后，还为上网和娱乐而设了一个综合的IT区域。有些学生自己的摄影作品被做成墙上的图案。向户外延伸的区域，包括一系列可让新鲜空气进入的金属“货柜舱”。

London, U.K.
335 sq. m.

The Hub

SHH Architects & Design Consultants

The Hub is a dynamic and robust indoor and outdoor canteen with integrated IT facilities designed for The Acland Burghley Secondary School. The target audience for the project was the pupils themselves, with the design team working closely with a key group of twelve pupils aged 14-16. The final scheme has zoned areas (demarcated through colour and sub-branding) for different types of

dining: snacking, salads and traditional dining, breaking up the queuing problems. It also has a spill-proof integrated IT zone for internet access and gaming (after the designers noted how overcrowded the existing IT facility was). Some of the pupils' own photography was integrated into wall graphics. Outdoor overspill areas, including a series of metal "pods", allow all-weather fresh air access.
