八百里大好河山

Magnificent Sight of 800-li-long Funiu Mount

自西向东绵亘八百里的伏牛山，就像一条苍龙横卧在中原大地上。大自然的鬼斧神工、造物主的恣意铺陈，让这八百里山也青、水也秀、林也美、景也奇。

这里有世界人与生物圈保护区宝天曼，莽莽苍苍的原始森林犹如宝石镶嵌；这里有国家级自然保护区白云山，被全国34家主流媒体评选为“中国最美的地方”；这里有峰峦叠嶂、气势磅礴的老界岭风景区，主峰鸡角尖海拔2212.5米，号称“中原第一峰”；这里有闻名世界的西峡恐龙化石群，被联合国教科文组织誉为继西安兵马俑之后的“二十世纪世界第九大奇迹”；这里还有内乡县衙、武侯祠、张衡墓、墨子故里、南水北调工程水源地……自然景观美仑美奂，人文景观厚重沉郁，二者相映成趣，相得益彰。

八百里伏牛高耸陡峭的山峰，茂密原始的森林，潺潺流动的溪水，飞流而下的瀑布，稀有珍贵的物种，构筑了其独特的生态自然风光，也成为人们追求和向往的地方。2006年8月4日，河南省政府专门召开伏牛山生态旅游发展工作会议，省长李成玉在讲话中指出，要力争3-5年内，把石人山——白云山——龙峪湾——老界岭——宝天曼等生态旅游线路培育成国内知名的精品旅游线路，使伏牛山成为国内著名的生态旅游目的地、河南旅游产业新的增长极和伏牛山区域经济发展的重要支柱。

在此大背景下，《伏牛山印象》这本摄影集应运而生。作者王天定是河南日报的资深摄影记者，“全国优秀新闻工作者”称号获得者。10多年来，他在繁忙的新闻采访问隙，足迹几乎遍布伏牛山。天定同志用自己独特的理解和视角发现美，用自己手中的相机记录美，用纯净的心灵定格美的瞬间。这本影集就是他从近千张照片中精心遴选出来的，幅幅都是呕心沥血之作。山之险、水之灵、林之秀，让每个人都欣赏到伏牛山的美，极大地激发起观者审美的乐趣，激发起观者热爱祖国大好河山的情怀。是为序。

王天定

Funiu Mount stretches for 400 km from west to east, like a dragon lying in the Central China. Created by the nature and the Creator, the mount is green, the water is clean, the forest is beautiful, the sight is magnificent. How wonderful the mount is. The primeval forest, like jewel inlaid in Baotianman protection area is green and luxuriant; The Baiyong Mount protection area is chosen as “the most beautiful area” by 34 main medias in our country; The peak—Jijiao Peak in the Liaojie Ridge protection area is 2212.5 m high, called the first highest peak in the Central China. The famous dinosaur fossils in Xixia are called as “the ninth wonder in 20-th century” by UNESCO. We also can see Yamen in Niuxiang county, Wuhou ancestral temple, Zhangheng grave, the birthplace of Mezi, The natural sights and historical spots are linked well together.

Because of sharp cliff and dense forest and murmuring stream and swift falls and rare species and special sights, the mountain causes us to yearn for. On Aug. 4, 2006, an ecological traveling meeting for Funiu Mount is convened specially by Henan Provincial Government. The governor Li Chenyu points out that in 3 and 5 years the traveling line of Shiren Mount-White Cloud Mount-Longyu Bay-Laojie Ridge-Baotianman will become as the splendid traveling line known in the country, and the Funiu Mount as the one of main traveling aims, traveling there as the back-bone industry in the local places.

We have opened the curtain of developing traveling in Funiu Mount. “The impressions on Funiu Mount” is the photograph anthology to introduce the sights there. The photographer Wang Tianding is the well-experienced correspondent in Henan Daily and the national excellent newsman. In the past 10 years, his footprints covered throughout the whole Funiu Mount in his spare time. Mr. Wang finds beauty from his special understanding and degree, records beauty by his camera and pure spirit. The photograph anthology is carefully chosen from his more than 1000 pictures. He has made painstaking effort in every single picture. From it we can taste beauty of mountains, steepness of peaks, animation of streams and elegance of forests. We can also stimulate our interests on beauty and love to the motherland.
