The Authors

Katsunori Kai, Ph.D. is a graduate of Kyushu University. He is a Professor at Waseda Law School. His major is criminal law (criminal negligence). He also specializes in regulation of assisted reproductive technology and withdrawal and withholding of medical care of terminal stage patient, and wrote books on these matters, including, *Euthanasia and Criminal Law*, *Death with Dignity and Criminal Law*, and *Protection of Human Subjects and Criminal Law*. He is a director of Japanese Association of Medical Law, Criminal Law Society of Japan and councilor of Japanese Association for Bioethics.

Yuichiro Sato is a graduate of Hitotsubashi University (LL.B, 1995), of Tokai University (LL.M., 1997). He was an Assistant Professor at Yokohama City University School of Medicine 2000–2007, Associate Professor at Faculty of Law of Kobe Gakuin University 2007–2011, and has been an Associate Professor at Tokyo Gakugei University since 2011. His major is medical law and bioethics, especially the legal problems on parts of human body. He is a member of governmental committees on Medicine, on amendment of guidelines on regenerative research, and so on. He was also a working member of Global Ethics Observatory of United Nations Educational, Social and Cultural Organization (UNESCO).

The Authors

Yuko Nagamizu, LL.M., is an Associate Professor in civil law, family law, law of succession and medical law at the Faculty of Law of Momoyama Gakuin University (St. Andrew's University) in Osaka, Japan. She graduated from Sophia University in Tokyo and received LL.M. from the graduate school of law at Sophia University. She has written articles on medical neglect, mature minor's right in health-care, especially on abortion and life-sustaining medical treatment, genetic information and family, assisted reproductive technology, and organ transplant. She is a member of governmental committees on the amendment of ethical guidelines of medical research, and on embryonic stem cell research.
