West's and Westlaw are registered in the U.S. Patent and Trademark Office.

PREFACE

Federal Intellectual Property Laws and Regulations is a practical desk reference for intellectual property attorneys. We have tried to collect all of the statutes and regulations that are commonly used in practice. In addition, we have included a number of international agreements that are not usually collected in a single volume. In this way, we hope to provide a single book that includes all of the references that an intellectual property attorney needs.

WestlawNext™

THE NEXT GENERATION OF ONLINE RESEARCH

WestlawNext is the world's most advanced legal research system. By leveraging more than a century of information and legal analysis from Westlaw, this easy-to-use system not only helps you find the information you need quickly, but offers time-saving tools to organize and annotate your research online. As with Westlaw.com, WestlawNext includes the editorial enhancements (e.g., case headnotes, topics, key numbers) that make it a perfect complement to West print resources.

- FIND ANYTHING by entering citations, descriptive terms, or Boolean terms and connectors into the WestSearch™ box at the top of every page.
- USE KEYCITE® to determine whether a case, statute, regulation, or administrative decision is good law.
- BROWSE DATABASES right from the home page.
- SAVE DOCUMENTS to folders and add notes and highlighting online.
