Care has been taken to confirm the accuracy of the information presented and to describe generally accepted practices. However, the authors, editors, and publisher are not responsible for errors or omissions or for any consequences from application of the information in this book and make no warranty, expressed or implied, with respect to the currency, completeness, or accuracy of the contents of the publication. Application of this information in a particular situation remains the professional responsibility of the practitioner.

The authors, editors, and publisher have exerted every effort to ensure that drug selection and dosage set forth in this text are in accordance with current recommendations and practice at the time of publication. However, in view of ongoing research, changes in government regulations, and the constant flow of information relating to drug therapy and drug reactions, the reader is urged to check the package insert for each drug for any change in indications and dosage and for added warnings and precautions. This is particularly important when the recommended agent is a new or infrequently employed drug.

Some drugs and medical devices presented in this publication have Food and Drug Administration (FDA) clearance for limited use in restricted research settings. It is the responsibility of health care providers to ascertain the FDA status of each drug or device planned for use in their clinical practice

Contributing Authors

John J. Aiken, M.D.

Assistant Professor of Surgery, Division of Pediatric Surgery,
Medical College of Wisconsin, Milwaukee, Wisconsin

Mario Albertucci, M.D.

Associate Clinical Professor of Surgery, University of North
Dakota School of Medicine and Health Sciences, Grand Forks,
North Dakota

Robert J. Albo, M.D.

Clinical Professor of Surgery, General and Vascular Surgery,
University of California, San Francisco, School of Medicine, San
Francisco, California

J. Wesley Alexander, M.D., Sc.D.

Professor of Surgery, University of Cincinnati College of
Medicine, Cincinnati, Ohio

Mihai Alexianu, M.D.

Chief Resident, Department of Urology, Long Island Jewish
Medical Center, New Hyde Park, New York

R. Peter Altman, M.D.

Professor of Surgery, Columbia University College of Physicians
and Surgeons, New York, New York

Parviz K. Amid, M.D., F.A.C.S., F.R.C.S.

Director, Lichtenstein Hernia Institute, Los Angeles, California

John Androulakis, M.D., F.A.C.S.

Professor and Chairman, Department of Surgery, University of
Patras, Patras, Greece

Roberto Angioli, M.D.

Assistant Professor, Division of Gynecologic Oncology, Miami,
Florida

Niren Angle, M.D.

Fellow, Department of Vascular Surgery, Gonda Vascular
Center, University of California, Los Angeles, UCLA School of
Medicine, Los Angeles, California

Teruaki Aoki, M.D., Ph.D.

Professor and Chairman, Department of Surgery, Jikei
University School of Medicine, Tokyo, Japan

Hervy E. Averette, M.D.

Professor and Director, Division of Gynecologic Oncology,
Jackson Memorial Hospital, Miami, Florida

Samir S. Awad, M.D.

Assistant Professor, Michael E. DeBakey Department of Surgery,
Baylor College of Medicine; Director, Surgical Intensive Care
Unit, Veterans Affairs Medical Center, Houston, Texas

Richard G. Azizkhan, M.D.

Professor of Surgery and Pediatrics, Lester Martin Chair of
Pediatric Surgery and Surgeon-in-Chief, Department of Surgery,
University of Cincinnati College of Medicine, Children's
Hospital Medical Center, Cincinnati, Ohio

Gopal Badlani, M.D., F.A.C.S.

Professor, Department of Urology, Albert Einstein College of
Medicine of Yeshiva University, Bronx, New York; Associate
Chairman, Department of Urology; Chief, Division of
Neurourology and Prosthetics, Long Island Jewish Medical
Center, New Hyde Park, New York

Ronald J. Baird, M.D.
