NOTE 1. The abbreviations of law reports and other sources used in this work are listed in vol 1(1) (Reissue) at p 15 et seq.

NOTE 2. Where references are made to other publications, the volume number precedes and the page number follows the name of the publication; eg the reference '12 Forms & Precedents (5th Edn) 44' refers to volume 12 of the Encyclopaedia of Forms and Precedents, page 44.

NOTE 3. An English statute is cited by short title or, where there is no short title, by regnal year and chapter number together with the name by which it is commonly known or a description of its subject matter and date. In the case of a foreign statute, the mode of citation generally follows the style of citation in use in the country concerned with the addition, where necessary, of the name of the country in parentheses.

NOTE 4. A statutory instrument is cited by short title, if any, followed by the year and number, or, if unnumbered, the date.

TABLE OF STATUTES

This Table consolidates statutes cited in Volume 11(1) (paragraphs 1–800)
and Volume 11(2) (paragraphs 801–1592).
