Acknowledgements

I would like to thank the following people for their help at various stages in this project: Eric Barendt, Lionel Bently, Robert Burrell, John Davies, Alan Dignam, Richard Hart, David Ibbetson, Mark Lunney and John Phillips. Their support and encouragement have been much appreciated. I am also grateful to two institutions for their assistance: King's College London (for a grant of sabbatical leave) and the Law Faculty Library, University of Cambridge (for allowing access to Baron Parke's commonplace book).
