3842 N. Maple St.
Huntsville, Minn. 53100

July 5th.

Dear Sue,

Thanks so much for sending me the photos. I wanted to write you sooner, but we were all busy with Fourth of July preparations. I read your letter to everyone here and they enjoyed hearing all the news.

I'm still busy. I wouldn't mind getting a job in town, but there's a lot of work here on the farm. I can milk cows now and drive the tractor. I had a little trouble getting up at 5:30, but now I like it (!). Why don't you come for a few days?

Well, I'd better sign off now. It's supper time. Promise to write more soon.

Best regards,

Write a similar letter from Bill to his brother Tom, noting the following differences:

Tom wrote a novel and sent a copy to Bill.
