PREFACE

This edition of Martin's Annual Criminal Code contains annotations of all relevant decisions reported to June 30, 1979 and unreported decisions of particular significance delivered before June 14, 1979.

An attempt to update the index has been undertaken this year and next year's edition will contain a major revision of the index.

I wish to express my gratitude to my partner, Marc Rosenberg, a member of the Ontario Bar, who has assisted greatly in maintaining the completeness, currency and accuracy of this book. I would also like to thank Michael R. Dambrot of the Federal Department of Justice at Toronto, Ontario for his assistance in the preparation of the materials relating to the Food and Drugs Act and the Narcotic Control Act.

Once again, Mrs. Elizabeth Edwards and Mrs. Ryuko Higa of Canada Law Book were invaluable in the preparation of this edition and uncomplaining despite the numerous changes that have added considerably to the size of the book.

I hope our readers will continue to find in Martin's a useful and accurate survey of the criminal law of Canada.
