Dear Mum,

We've gone to the rainforest. But
don't worry, we'll be back by bedtime!

We're on a quest to find four gems.
Lord Zonktron has hidden the gems.
We have to get them back!

Love,

Anna and Joe

Moo-ha-ha-ha-ha!

Dear Mum,

Lord Zonktron hid the gems in different places.
He left us some clues to help find them.

We looked in the rainforest first. A parrot
gave Joe the first clue!

**This quest will turn you
hot, then cold.**

We're somewhere hot now. That means the
first gem must be hidden somewhere cold!

Love,
Anna and Joe

Dear Mum,
Brrrr! It's so cold here! My fingers
feel like ice. Joe won't put on his
coat or his gloves.

We saw a polar bear! Joe was scared
at first, but the bear turned out to
be friendly. She gave us a ride on
her back!

We haven't found the gem yet.
We are still looking.

Love,
Anna and Joe

Dear Mum,

We're still here in the snow!

I spotted a puffin. The puffin had the gem.

We did a dance for the puffin and he gave us
the gem. He gave us the next clue, too.

**To get to the next gem
you will need a spade.**

I think we need to get off the ice
and start digging!

Love,

Anna and Joe

Dear Mum,

It's so dark! I'm writing this by torchlight
because we're underground!

We heard something **rustling** in the
darkness. Joe went to find out what was
making the noise. I hope he's OK.

Love,

Anna and Joe

Rustle ...
Rustle ...

Dear Mum,

It was a mouse making the rustling noise.

A massive mouse!

Joe gave her a piece of cheese and I patted her.
The gem was tied to her collar. She had the
next clue, too!

**The next gem is
out of this world.**

I think we'd better start digging our way out.

Love,

Anna and Joe
