《庆祝中华人民共和国暨人民政协成立 55 周年书画集》的出版,是辽阳市政协书画院多年艺术成果的总结。书画集以政协书画院院士的作品为主,收集了百余位书画家和书画爱好者的作品。作者绝大多数是历届省、市、县(市、区)政协委员,民主党派、工商联和有关人民团体成员。他们中,既有在书画舞台上几十年耕耘不辍的老艺术家,也有对书画艺术及及以求的青年新秀。艺术家们以不同的视角,通过书法、绘画、篆刻等不同形式,诠释着对艺术的理解和追求。作品体裁广泛,内容丰富,以灵巧的构思,清新的格调和高雅的韵味抒发着对党的热爱,对祖国的眷恋和对家乡翻天覆地新变化的赞美,在给人以美的享受的同时,更激发人们的爱国之情,报国之志,催人奋进。

书画如无声的语言,又如悦耳的旋律,隽永深长的韵味,启迪人们的心扉;书画似奔腾不息的江河,又似硕果累累的秋实,写照绚丽多彩的社会。"笔墨当随时代",在人类已跨入二十一世纪的今天,弘扬民族艺术,振奋民族精神,讴歌主旋律,描绘新时代,是每位书画艺术家的神圣使命。

丹青溢彩, 翰墨传情。愿艺术家们勤勉精进, 百尺竿头, 在新的时代不断创造出更新更美的 画卷。

书画集在编辑出版过程中,得到了市文联、市书协、市美协、市老年书画研究会的大力支持, 在此一并表示感谢。

Preface

The "Album of calligraphy and paintings for the 55th anniversary of the celebration of founding of the People's Republic of China and People's Political Consultative Conference" compiled and published by Liaoyang (City) People's political Consultative Conference (LPPCC) comes out. We greet the 55th anniversary of founding of the PRC and setting up of PPCC therewith.

The PPCC as an important organizational makeup of the multiparty cooperation and political consultation under the leadership of CPC is playing a non-fungible role in promotion of material, political and spiritural civilizations in the great cause of building socialism with Chinese characteristics. The PPCC has wide working space in the political and economical fields and enjoys particular advantages in the fields of culture and art. Making use of the advantages in gathering together of cultural and artistic talents in the PPCC and being closely linked with all quarters of the society, the PPCC develops various characteristic activities through the Calligrapher and Painter Academy, an effective carrier, which not only promotes exchange and development of culture and art and enhances level of the spiritural civilization construction but also plays an unique role in making extensively friends in all walks of life, uniting persons in all quarters and expanding the patriotic united front. Furthermore, it opens up new field for widening its scope of work, deepening and livening up its work and more effectively doing its duty.

The publication of the album represents a summary of many years' artistic achievements of the Academy of Calligrapher and Painter. In the album are collected works of over 100 calligraphers and paineters as well as amateurs with the first place given to the Academy members. The overwhelming majority of authors are the members of Provincial, Municipal, County (City, District) PPCC of all previous years and members of Democratic Parties, Federation of Industry and Commerce and People's Organizations concerned. Among them there are veteran artists who have "ploughed and weeded" on the stages of calligraphy and painting for several ten years and new young stars who are diligently striving after the calligraphy and painting as an art. These artists annotate the comprehension and pursuit of art from various angles of view and in the form of calligraphy, painting and engraving. Their works, with extensive forms, substantial content, ingeniously conceived plot, fresh and lively style and elegent lingering charm, describe their deep love for the Party, tentimental attaching to the Nation and praises of earth-shaking changes of their hometowns. Their works, at the same time of giving people a treat of beauty, even more arouse people's patriotic ardour and their ambition to repay the country and so urge people advance forward.

The calligraphy and painting, being like soundless language, sweet-sounding melody, meaningful and profound lingering charm, enlighten people's hearts; the calligraphy and painting, being like rolling on incessantly rivers and rich fall fruit, portray the bright and colorful society. "Writing should follow the era". Today when the mankind already stepped into the 21st century, to carry forward the national arts, to encourage the national spirit, to sing the praises of the main melody of the era and to depict the new era are the sacred mission of each calligrapher or painter.

Painting spills colors and calligraphy conveys feelings. We wish artists would be diligent and make still further progress and steadily create even newer and more beautiful picture scroll at the new times.

In the course of compiling and publishing this album, we have been given strong backing and support by Liaoyang Federation of Literary and Art Circles, Association of Calligraphers, Association of Artists and Veteran Research Society of Calligraphy and Painting, for which we hereby express thanks.
