Musical notation on a five-line staff showing the equivalence of a dotted half note and three quarter notes. The notation is as follows: $\text{Dotted half note} = \text{half note} + \text{quarter note} = \text{quarter note} + \text{quarter note} + \text{quarter note}$. This is followed by three pairs of eighth notes beamed together, each pair representing the duration of one of the quarter notes in the previous sequence.
