版次: 2001年9月第1版 印次: 2001年9月第1次印刷

定价: 680元

当我们迈入 21 世纪的第一年,首都师范大学美术学院完成了国家"211 工程"阶段性建设。这本画册在这时出版有着重要的意义,它是作为我校重点建设的美术学科, 五年来在科研创作方面成果的总结, 是为了迎接国家"211 工程"验收和向学校汇报, 也是向社会展示美术学院教师队伍的力量和学术水平。

画册中收入的中国画和油画作品,以多种面貌、多种风格显示着美术学院自由的学术空气和继承传统、探索创新的积极主动精神。在这五六年中,美术学院教师科研创作硕果累累,教师们勤于创作、敏于思考、敢于探索,作品经常展现在全国及省市美展、学术性展览、联展和个展之中,也不断出现在国际交流展览之中,此外学院也定期组织教师画展、联展和学术邀请展,鼓励教师出版各种画集。学术活动频繁,社会声誉大增,这些都是全体教师努力的结果。画册中老教授的作品显示出新的面貌,年轻教师的作品在创新中又蕴涵着传统的精神。艺术与生活,传统与创新是永远的话题,在这些作品中体现着每个人的理解和答案。

在这一阶段中,美术学院的中坚力量在成长壮大,新引进的人才发挥了非常重要的作用,年轻的硕士生也显示着不凡的成绩。有了这样高水平的治学严谨的师资队伍,有了自由宽松的学术环境,新建立的美术学院将是大有可为、大有前途的。一个学校的声誉就在于它有着有学术影响的教师队伍和以崇尚艺术、追求真理的学术精神,有了这些才能培养出服务于社会的优秀人才。这是建院之本、立院之本。

在新的世纪里,首都师范大学美术学院将以众多知名的美术家、美术教育家,又以整体的团队形象展现于美术界,为中国的美术事业、美术教育事业作出应有的贡献。

首都师范大学美术学院院长

移态额

Foreword

As we enter the first year of the 21st century, the College of Fine Arts of Capital Normal University has completed a new phase of development for the 211 Project. Therefore the publication of this album has great significance. It epitomizes the five-year achievement of research and composition in Fine Arts as a key academic discipline of the university. By showcasing the talents and professional expertise of the faculty members at the College of Fine Arts, it serves as a summary report submitted for evaluation in the university's bid for inclusion in the 211 Project.

With varied themes and styles, the traditional Chinese and oil paintings in the collection display both adherence to tradition and free exploration on the part of the artists. The past few years have been a prolific period for teachers of the Fine Arts College. Their works have appeared in various exhibitions at both local and national levels, contributing to the enhanced prestige of the college. There are senior professors who show an untiring innovative spirit and young, emerging artists whose works are deeply rooted in tradition. Notably, oil painting has become an effective vehicle for conveying the spirit and culture of China. The relationship between art and life and that between tradition and innovation are eternal topics in the art circles, and the teachers have spelled out their different interpretations with their works.

This has also been a period of consolidation for the College of Fine Arts, with newly recruited faculty members and young graduate students playing an increasingly important role. A high-performance faculty and a free, lively academic atmosphere combine to guarantee a bright future for this young school. A school builds its reputation by a strong faculty, whose pursuit of truth and beauty enables it to train talented personnel for the benefit of the society. This is the very foundation on which the school is built and by which the school will grow and prosper. With its excellent team of artists and art teachers, the College of Fine Arts of Capital Normal University stands to contribute its share to the development of fine arts and art education in our country.

Sun Zhijun President, College of Fine Arts, Capital Normal University

作品目次

韦红燕
