Dream

By Allan Houston

Hold fast to dreams,
For if dreams die,
Life is a broken-winged bird
That cannot fly.

Hold fast to dreams,
For when dreams go,
Life is a barren field
Frozen with snow.

把梦抓牢
如果梦想消亡
生活就成了一只折翅的鸟
不能飞翔

把梦抓牢
当梦想不在
生活就成了一块不毛之地
冰封雪盖

The Lights Went Out*

One night my lights went out. I jumped up and ran after them. "Stop!" I cried. "You can't leave us in the dark!"*

"Of course* we can," said the floor lamp*.

"But where are you going?" I asked.

"To the disco ball*."

Word Bank

go out 外出
of course 当然
floor lamp 落地灯
disco ball 迪斯科舞会

"Stop!" I cried. "You can't leave us in the dark!"
"站住!" 我喊道, "你们不能把我们留在一片漆黑中!"

“Don't leave. I have homework to do!” I said.
“Why don't you do it earlier?” the porch light said.*

This was terrible*! I had to* finish my homework. My teacher would never believe that my lights had gone out—dancing.*

“Why don't you do it earlier?” the porch light said.

“你为什么不早点做作业呢？”门厅灯说道。

My teacher would never believe that my lights had gone out—dancing.

我的老师绝不会相信我家的灯都外出——跳舞去了。

Word Bank

terrible /'terəbl/ adj. 可怕的
have to 不得不

“Won’t you stay behind?” I begged my desk lamp.*
“Sorry, I must go,” it said.
I walked back into my house and bumped into* Mum
and Dad.

“Who put out* the lights?” they
asked.

“No one,” I said. “They went out
by themselves*.”

Word Bank

bump into 撞到

put out 关掉

themselves /ðəm'selvz/ pron. 他们自己

“Won’t you stay behind?” I begged my desk lamp.
“难道你就不能留下来吗？”我乞求我的台灯。

Things looked dark. Mum couldn't see to cook dinner, so we could only have cheese sandwiches* for dinner. But it was not easy to eat in the dark.*

"There's no use sitting in the dark," said Dad. "Let's go to sleep."*

Mum yawned*. "Good idea," she said.

But it was not easy to eat in the dark.

可是在黑暗中吃东西并不是件容易的事。

"There's no use sitting in the dark," said Dad. "Let's go to sleep."

"在一片漆黑中干坐着也没有用。"爸爸说,"我们去睡觉吧。"

Word Bank

cheese sandwich 乳酪三明治

yawn /jɔ:n/ v. 打哈欠

I was not happy, because I could not do my homework.
“How can I finish it?” At last I decided to do my homework as soon as the sun came up.*

At school in the morning, I sat at my desk and waited* to hand in* my homework. The teacher was 30 minutes late...*

Word Bank

wait /wert/ v. 等待
hand in 交出

At last I decided to do my homework as soon as the sun came up.

最后我决定等明天天一亮就做作业。

The teacher was 30 minutes late...

老师迟到了 30 分钟……

● 结尾我来编

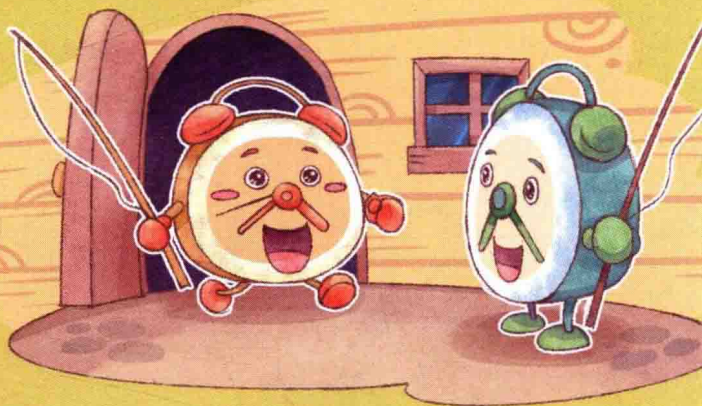

经历了家里的灯全都外出参加舞会的离奇事件后，小男孩还是按时完成了家庭作业，也按时上学去了，可是他的老师却迟到了 30 分钟。老师为什么会迟到这么久呢？大家快发挥想象，给故事编个精彩的结尾吧！

哈哈，给故事编结尾，一定很好玩。我来试试：

The teacher was 30 minutes late. He ran into the classroom and said, "I'm sorry. I overslept*, because this morning my alarm clock* didn't ring. He went fishing with his friend."

星彩编的结尾不错哟。前面说灯去参加舞会，她就编了个老师的闹钟跑去钓鱼的结尾，真是离奇的事一件接一件啊！我也编一个试试：

The teacher was 30 minutes late. He ran into the classroom and said, "I'm sorry. I got on the wrong bus. It took me to a parking area* and said to me, 'I'm sorry. I will have an emergency meeting* here with my friends. After the meeting, I'll take you to your school at once*.' And the meeting lasted* 40 minutes."

嘿嘿，看了星彩和琪琪编的结尾，你是不是也跃跃欲试了呢？来来来，快向大家展示你编结尾的本领吧！

The teacher was 30 minutes late. _____

结尾编好后，别忘了把它发到我们的电子邮箱 (englishcoolkids@qq.com)。一旦你编写的结尾被评选为“最精彩结尾”，你将获得一份精美礼品哟！

Word Bank

overslept /ˌəʊvə'slept/ v. 睡过头
alarm clock 闹钟
parking area 停车场
emergency meeting 紧急会议
at once 立刻
last /lɑːst/ v. 持续

Hi, boys and girls, I'm Magic School Bus. Today we come to Harding Avenue Elementary School in the USA.

Hello, my friends! My name is Peter. I'm a pupil from Harding Avenue Elementary School. I'm in Grade Five. We will have a Science Night at school. It will be very interesting. So please come and join* us!

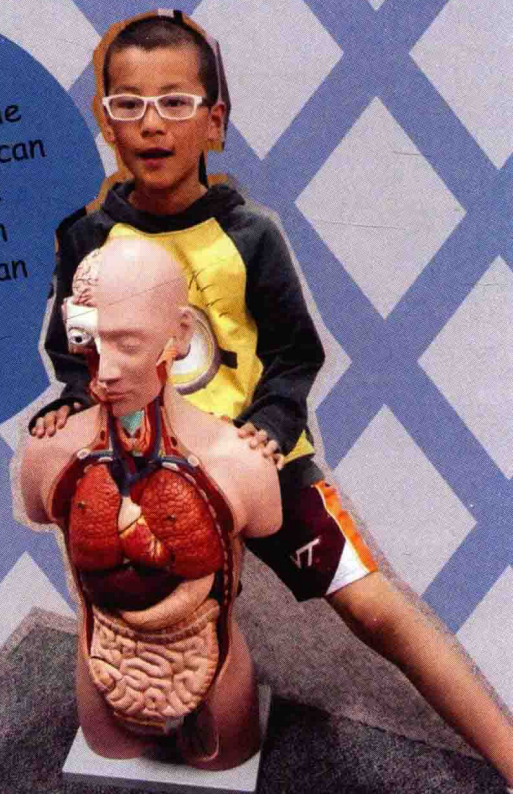

Getting to Know the Organs*

Welcome to the Science Night!

Here is a model* of the organs. We can learn where every organ is in a human body.*

The Science Night is held in the multipurpose room from 18:00 to 19:30.* Let's go!

通过将器官模型上的器官拿出来，再摆放回原位，何欣了解了这些器官在人体里的位置。那么，你知道这些重要器官的位置在哪里吗？下面有一幅有关人体内脏器官的图，快来给这些器官标上正确的英文名称吧。

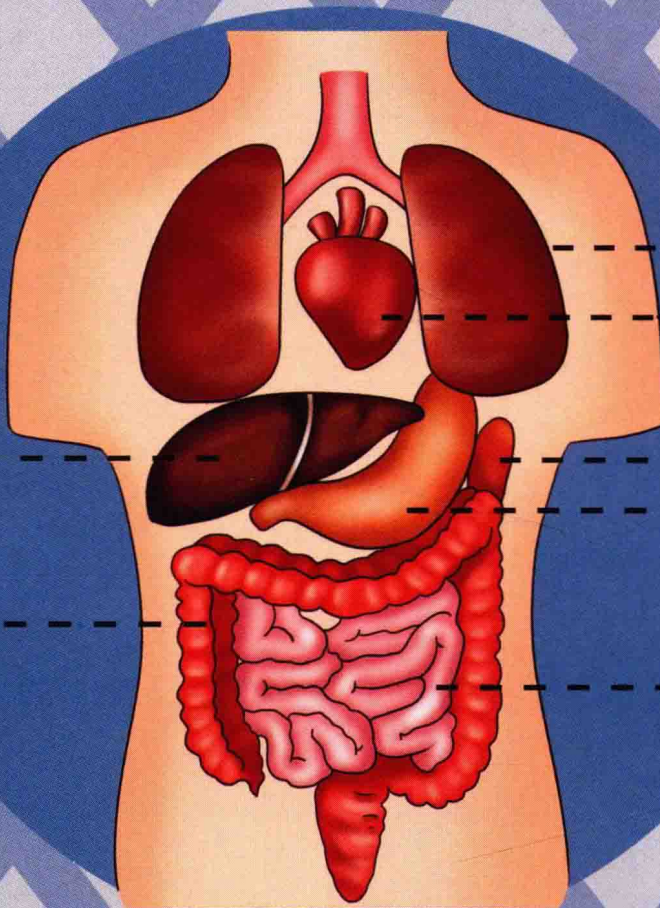

Words of Some Organs

heart 心脏
spleen 脾

liver 肝
large intestine 大肠

stomach 胃
small intestine 小肠

lung 肺

Answers: 1. lung 2. heart 3. liver 4. spleen 5. stomach 6. large intestine 7. small intestine

The Science Night is held in the multipurpose room from 18:00 to 19:30.

科学之夜活动于晚上6点到7点半在多功能厅进行。

We can learn where every organ is in a human body.
我们可以了解到各个器官在人体里的位置。

This is the lung of a pig. It's smelly*.

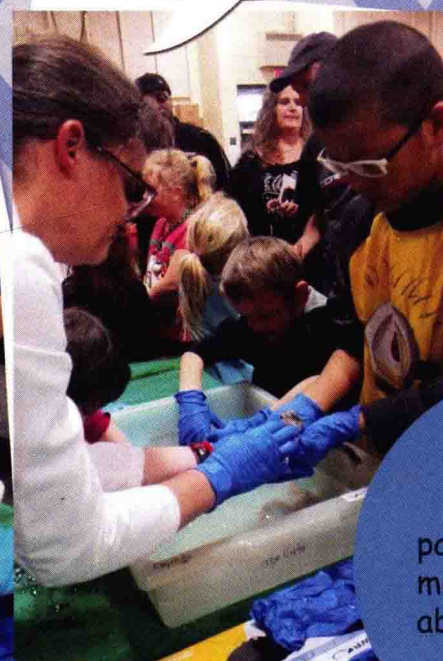

这个可是真的猪肺哟！之前为了防止它腐烂，把它放在福尔马林里泡过，因此它散发着一股难闻的味道，要触摸它也必须戴上手套。为什么要把猪肺挂在这样的装置上？因为这样可以给猪肺打气。大家看，这就是猪肺打气后膨胀起来的样子。我们的肺在吸进空气后也会像这样膨胀起来，而呼气后肺就会缩回去了。很有意思吧！

Getting to Know the Amphibians*

Wow, this frog is special*. It's white.

Look, a frog has smooth* skin*.

Frogs are amphibians. They can live both on land and in water.*

The volunteer parent* is telling me something about the frogs.
