第一章 Chapter 1

仙界白云山 Baiyun Mountain A Fairyland

People in Guangzhou are sure to be happy, for a celestial mountain is located in this prospercus city...

Zheng Anqi (an alchemist and herbalist, who learned medicine well to cure the sick) went to the world of immortals on the back of a white crane from this clear Calamus Ravine...

Ge Hong (a famous doctor in the Eastern Jin Dynasty) rode on the floating clouds above Baiyun Mountain to the immortal world...

The delicate are the Magnolia figos, whose pure white petals and light fragrance are exactly conveying the romantic charm of Su Tungpo's verses...

A gentle warm sea breeze comes from hundreds of miles away on a sunny day as if we were brought back to that morning when Bodhidharma (the founder of China's Zen Buddhism) arrived here...

年前在此地观日出的孙中山先生(中国民主革命的伟大先行者)初升的朝霞触动着人们的心弦,这似曾相识的旋律,是否也感 ,是否也感动了多

The rising sun creates the deep chord in the people, generating a strong sense of dejavu, which may have also impressed Sun Yat-Sen who was a great pioneer of the Chinese Democratic Revolution coming here to watch the sunrise many years ago.
