CLASSIC SOS GARFIELD

903 GARFIELD

GARFIELD

我们在乔思的乡下老家过圣诞节。

农场上好安静

也好奇怪。

作者精选

Now and then can't resist a nostalgic trip back to my childhood on the farm. Oh, the fun Doc Boy and I had ... ha, ha, ha...

> 我总是情不自禁地 怀念起我在农场度过的 童年时光。噢,我和有 趣的多克娃……哈哈 **哈**······

I know, I know. The "decoder ring" reference really dates me. However, many comics readers are in their 40s and up...I hope.

我知道,"解码环" 的引用真的出卖了我的 年龄。但是,许多漫画 读者也都在 40 岁以上 了吧……我希望如此。

不过,它富含足够的营养……

但是,呵呵,这些事谁又能说得清楚呢?

You can count on one hand the number of times that I've allowed Garfield to step outside of the strip. But, I couldn't resist this one.

我让加菲唱独角戏的篇章实在屈指可数。 但是,我真的无法抗拒 这一段。

Let's hear it for claws.

Garfield! Lunch time!

Garfield! Where are you?

- It is time for you to eat, your majesty.
 If I must.

Where's your dinner?!! Where's my dinner?

Food's fun!

Once my eating gains momentum, it's hard to shut down.

Slow down there, ace.

Slow down, indeed.

Okay! Who greased my wiener?

Jon doesn't realize how much I have to eat to maintain my figure!

Stop begging, Garfield. You may have any food that falls on the floor.

Oh shucks, I just spilled the only cup of coffee we have in the house.

- I hate you.
- I can live with that.

Good morning, fern. How about a drink of water, little friend?

How nice, Garfield. I'm glad to see you take an interest in my fern.

I'm fattening it for slaughter.

- I'm leaving for the cartoonists convention now, Garfield. There's a week's worth of food for you.
- A week's worth, huh?

It was more like two seconds worth.

Hey, Garfield. Hey, Odie. I have a little piece of leftover steak. who...

- beaten?
- Yeah.

既然要打蛋, FM DAVPS 12-20 你可以顺便 把橘子挤出

And while you're at it, squeeze the orange juice.

Wants it?

- Then choke some toast! And mangle the bacon!
- I'm worried about that boy.

你知道我最欣赏猫哪一点吗?就是我们尊贵的气质。 甚至皇室都向我们学习这种高雅的风度。

Do you know what I love about cats the most? It's our dignity. Even royalty could learn from the dignified style with which we conduct our lives.

Well, I see by the old clock on the floor, it's lunch time.

Time to go beg for table scraps.

 Garfield! you're not going to believe this! I was in a bakery today buying a cake when three midgets in gorilla costumes raced in, set the place on fire and ran out with the cash register!
 Wow!

Come on, Jon. Don't spare the details!

Chocolate or vanilla frosting?
