三、阅读理解(本大题共 10 小题,每小题 2 分,共 20 分)

(A)

As young students, you have many dreams. These dreams can be very big, such as winning the Nobel Prize; they can also be small, such as becoming one of the best students in your class.

Once you find a dream, what do you do with it? Do you ever try to make your dream real?

Andrew Matthews, an Australian writer, tells us that making your dreams real is life's biggest challenge. You may think you're not very good at some school subjects, or that it's impossible for you to become a writer. Those kinds of ideas stop you from realizing your dream.

In fact, everyone can realize his dream. The first thing you must do is to remember what your dream is. Don't let it leave your heart. Keep telling yourself what you want every day and then your dream will come true faster. You should know that a big dream is, in fact, made up of many small dreams.

You must also never give up your dream. There will be difficulties on the road to your dreams. But the biggest difficulty comes from yourself. You need to decide what is the most important. Studying instead of watching TV will help you to get better exam results, while saving five *yuan* instead of buying an ice cream means you can buy a new book.

As you get closer to your dream, it may change a little. This is good as you have the chance to learn something more useful and find new hobbies.

- () 1. The biggest difficulty on the road to your dreams comes from _____.
A. yourself B. your friends
C. your school D. your parents
- () 2. Which of the following isn't mentioned in this passage?

D. Listening to English more can help you realize your dream.
- () 3. If we have dreams in our hearts and work hard, our dreams _____.
A. can't be realized B. can be very small
C. will come true D. can be very big
- () 4. How do you make your dream come true faster?
A. Remember what your dream is.
B. Don't let your dream leave your heart.
C. Keep telling yourself what you want every day.

D. A, B and C.

() 5. The best title(标题) of this passage is _____.

A. How to become a writer

B. How to make your dream real

C. A big dream is made up of small dreams

D. Everyone can realize his dream
